Game Under Lights At New Stadium Will Bring True Dream Of Fans Here

Contest Friday Will Mark Virtual Completion of Athletic Field.

The dream of many a Marion sport fans will come true when brilliant artificial lights are turned on tomorrow night at Harding athletic field football in the city's history.

The event will be more than the inauguration of gridiron play under lights—it will mark the virtual completion of an athletic field and stadium project that has been wanted by every true follower of the Harding High Presidents especially the loyal ones who in years past valiantly waded mud and weeds to watch the team play at the fairground field.

With the exception of finishing touches that will require a few more weeks of work the stadium lights and athletic field are virtually complete and it is expected that Friday night's opening game under the lights will serve as somewhat of an informal dedication of the new scene for Harding High athletics.

Friday night's game starting at 8 o'clock will match the Harding High and Galion High teams both playing in the N C O league. The Richwood High team and the Harding Reserves will clash in a preliminary contest at 6:15.

Shower and Locker Rooms

Workmen have been busy these last few weeks finishing up two modern shower and locker rooms underneath the seating sections of the stadium. In their rooms quarter the Harding team and the visiting rivals can prepare themselves for the games and enjoy a hot shower afterward. Workmen also have conditioned toilet facilities under the stadium and are busy with a temporary setup of lighting around the entrance that will be replaced later with a permanent system.

C. A. Hudson superintendent of city schools today said that the bulk of the athletic field program visioned by school officials when the project was undertaken in the fall of 1934 has been completed.

The athletic field rooms well drained and modern in every respect represents probably an investment of $50,000 in relief labor. The stadium with a seating capacity of 2,203 cost roughly another $25,000. It too was built as a relief project with only about $10,000 coming from the schools. This money was not taken from school operating accounts but from the proceeds of bond issues voted for school improvements. The schools share of the expense includes the $1,275 fence that surrounds the field, the plumbing inside the shower and locker rooms and toilets and a heating system for these rooms.

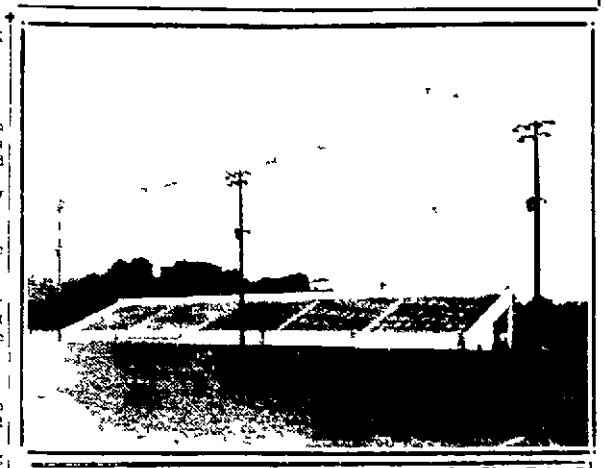
Lights Cost $3,800

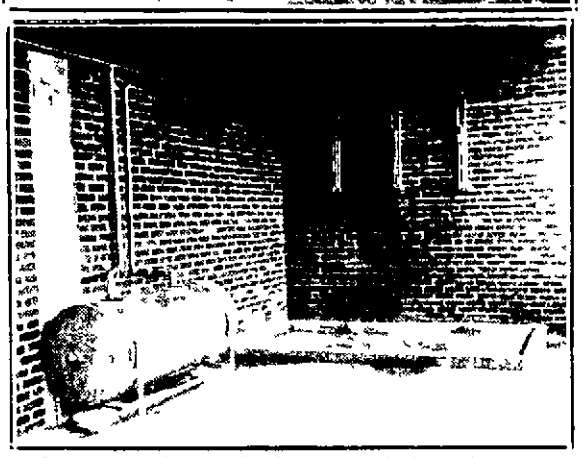
The lights to be turned on Friday for the first night football contest cost $3,300 an investment made by the Harding High school athletic association. They were installed to meet the demands of a public that was unable to attend Saturday afternoon high school games in which they were interested. The money spent for lights will be paid off entirely from proceeds of games.

Among the things yet to be done is the installation of 44 new lockers, gifts of the Junior Chamber of Commerce which raised the money to be used in their purchase in an alumni football game with the Harding team on Thanksgiving day of 1934.

When plans were first drawn for the stadium it was to have 1,337 seats. School officials later decided to build more adequately so north and south sections were added bringing the capacity to 2,203. As completed the stadium is 204 feet long and approximately 33 feet wide. The locker and dressing rooms are 17 by 42 feet and the toilet rooms are 12 by 17. Other enclosures under the stadium include an equipment storage room and a coach's room. The rooms occupy a 125-foot portion of the 204-foot length of the structure, leaving a sizeable space available for concessions.

The finishing touches yet to be made include a ticket office, general finishing around the structure and completion of the track.





Two camera views of Harding High school's modern athletic field stadium are shown above. At the top is a view of the stadium as seen from the field and part of the battery of floodlights that will be turned on Friday night for the first night football game in the city's history. Below is a view of the interior of one of the locker and shower rooms under the stadium showing the showers in the corner and the tank in which water for the showers is heated.

CLIPPER, NEWSMEN LAND IN HAWAII

By The Associated Press

HONOLULU Oct 8 — The China Clipper bearing five newspapermen passengers in a flight to Manila preliminary to regular service Oct 21 alighted here at 6:43 a. m. today (12:23 p. m. Eastern Standard time.)

The big flying boat came down gracefully upon the water and was moored at 6:52 a. m. She had made the 2,400-mile flight from Alameda, Cal., in 16 hours and 48 minutes with one other passenger and seven crew members aboard.

A. F. of L. Leaders Meet To Report on Lewis Split

Peace Talk Heard Few Days Ago Fades as Rebel Chief Denies He'll Attend Parley.

By The Associated Press

WASHINGTON Oct 8—With President William Green expressing hope the American Federation of Labor would soon become a united family A F of L chiefs convened today to write a report on the latest schism in the organization.

The occasion was the quarterly meeting of the federation's executive council. The council's report on the row which led to the suspension of 10 unions linked with John L Lewis committee for Industrial Organization will be laid before the federation's annual convention opening Nov 16 at Tampa, Fla.

Some days ago there were indications that representatives of the 10 unions which were ousted for rebellion after a bitter dispute over methods of organizing mass production workers might sit around the table and talk peace with the federation chiefs at today's conclave.

However this prospect faded yesterday. Lewis the president of the United Mine Workers said no arrangements for such a meeting had been made.

In a speech in New York last night Green appealed for an immediate end to the activities of the Lewis committee. Talking before a convention of the United Hatters, Cap and Millinery Workers he said:

"We can confound our enemies and disappoint those who would destroy us by going into the Tampa convention on the 16th a united family."

BRICKER ON PROGRAM HERE FRIDAY NIGHT

Will Be Speaker in First Major Meeting of Campaign in Marion

Marion county Republican campaign activities today centered around preparations for a meeting at the Central Junior High school Friday night at which John W Bricker Republican candidate for governor and Grant E Mouser Jr Republican nominee for congress will speak. It will be the first major rally held by either party here since start of the campaign.

The speaking program is to be started at 8 o'clock. The candidates will come here from Upper Sandusky where they are to take part in an afternoon program at the Wyandot county fair.

Clarence L Price of Marion will serve as chairman of the meeting and will introduce local candidates. The Republican Glee club will take part in the program.

It was announced at party headquarters today that Fred W Warner of Marion Fifth district member of the Republican State Central committee will speak at a party meeting next Monday night at Kirkpatrick.

HUSKING CHAMPS ARRIVE IN NEWARK

By The Associated Press

NEWARK O Oct 8—Chester Alspach, Licking county farm agent, said today that Lawrence House, Kansas cornhusking champion, and Cecil Vinning, runnersup, arrived here for "scrimmage" to condition them for the national cornhusking contest Nov 10 because they could not find enough corn to practice on in Kansas. Both are entered in the big event, to be staged near here.

Incubator Baby Continues Gain, Leaves Hospital

Laura Dale Kinney smallest baby ever placed in the incubator at the City hospital rounded out her third month of hazardous living yesterday with such vigor that she was taken home today with the consent of the attending physician.

When Laura Dale was born last July 7 the physician shook his head doubtfully and gave her one in 20 chances to live. She now has reduced those odds to one in two chances and her steady progress is expected to give her an even chance with other children in the near future.

On her third monthiversary Laura Dale weighed six pounds and six ounces—the weight at birth of many babies.

Laura Dale's tiny spark of life was kept going in the hospital incubator until a few weeks ago when she was placed in one of the regular cribs in the nursery.

She weighed only two pounds and eight ounces when born at the home of her parents Mr and Mrs Z R Kinney of 376 Clinton street. Close attention and a special formula of food brought her to her present vigor and weight.

LANDON TO GO EAST; PRESIDENT GOES WEST

British Dicker Feverishly To Avert European War

Eden Leaves Resort To Direct London Policy After Soviets Strike at Fascist Aid to Spanish Rebels and Threaten To Fight With Radicals

(Copyright 1936 Associated Press)

LONDON Oct 8—Great Britain turned a swift diplomatic hand today to patch a menacing break in the wall of European non intervention in Spain.

Stirred by a flat Soviet Russian ultimatum threatening to aid the Madrid government if Fascist states do not stop helping the insurgents allegedly with guns planes and other sinews of war Foreign Secretary Anthony Eden broke off his Monaco holiday and turned toward home to personally direct British policy.

In the wake of the Moscow ultimatum came reports that other countries as yet unnamed would question alleged breaches of the hands-off Spain pact at tomorrow's London meeting of the European non intervention committee.

There also was the latent threat of open hostility in the Mediterranean should Russian ships seek to land supplies at Spanish government ports guarded by Fascist warships.

Cites Arms Shipments

The Moscow ultimatum was delivered to representatives of countries signatory to the non intervention pact in London last night. It detailed alleged shipments of arms planes and even poison gas to Spanish insurgents specifically naming Germany Italy and Portugal.

The Soviet government cannot consent to conversion of the non interference pact into a screen for concealing military assistance rendered the rebels against the government by some participants of the pact said the statement.

It added: "If violations are not stopped immediately the Soviet government will free itself from any obligations to the agreement."

Capt Eden en route home will confer in Paris tomorrow with Premier Leon Blum of France concerning Anglo-French action in the new crisis.

The ultimatum to European Fascist states threw the international situation surrounding bloody Spain into its most serious phase since the civil war broke out.

Abandonment of the general non intervention agreement or even graver repercussions might follow the Soviet challenge observers asserted.

Powers Seek Peace Plan

Great Britain and France the former obviously nettled by the Soviet bombshell will try feverishly to patch up the neutrality frame work official circles predicted.

If such efforts fail these sources said Europe would be divided in to even sharper classifications of Fascist and leftist nationals.

League of Nations officials at Geneva described the situation as of the deepest gravity. They pondered its effect upon the Socialist French government and Premier Leon Blum who has been besieged by his leftist supporters to aid their popular front brothers in Spain.

Neutrality Almost Impossible

Since Portugal has refused consistently despite strong British representations to participate in the committee's work it appeared an almost hopeless task to achieve a genuine workable neutrality.

The British government was irritated by Moscow's action in making public its ultimatum the foreign office had hoped to withhold the document pending tomorrow's committee meeting.

The ultimatum was delivered by Molotovitch Jenkin Soviet repre...

184 LOCAL OPTION CONTESTS SLATED

By The Associated Press

COLUMBUS O Oct 8—The secretary of state's office disclosed today that 184 complete local option elections for prohibition would be held in November in various townships or city precincts. 195 elections on the question of permitting the sale of 3.2 beer and four on the question of authorizing sale of liquor by the glass.

WPA PURGE ORDERED

By The Associated Press

COLUMBUS O, Oct 8—Inspectors for George R Brooks new director of works progress administration projects in district 7 were under orders today to purge the WPA lists of chiselers not entitled to work relief in the area embracing Franklin Union Licking Madison and Fairfield counties J Otis Garber assistant state WPA administrator said similar probes were being conducted throughout the state.

LANDON FRIEND VISITS HERE ON BOOSTER TRIP

Kansas Editor One of 20 from Home State Touring Country for G. O. P. Nominee.

John Redmond Burlington Kan editor and publisher and a warm personal friend of Gov Alf M Landon Republican candidate for president of the United States was in Marion today as part of a tour of Ohio in the interests of the Landon candidacy.

Mr Redmond is one of 20 Kansas men from all walks of life who are voluntarily giving time to carry the Landon message to all parts of the United States. Mr. Redmond was assigned to Ohio while others of the group are covering other sections of the country.

The group is non-political in nature, Mr Redmond said. None of the 20 are looking for jobs. Among the volunteers are newspaper publishers, farmers, oil men, lawyers and a number representing other professions.

Strong for Landon

Prompted only by a personal friendship for Landon and the belief that he is fully capable of meeting the problems of the nation today, the Kansas volunteers have taken the field in all parts of the nation to advance his candidacy.

All being personally acquainted with the Kansas governor the group said they could answer the questions of thousands of Americans who want to know more about him—his personality, capabilities and past record as a statesman.

CONGRESS RACE GROWS WARM

Fletcher Assails Townsend Plan and Indorsement of G O P Opponent

BOTH FILL SPEAKING DATES

Mouser Accuses Congressman With Misuse of Franking Privilege

The Eighth district congressional campaign took on new heat last night when Congressman Brooks Fletcher, Democratic candidate for reelection, and Grant E Mouser Jr, his Republican rival exchanged attacks in campaign talks.

Congressman Fletcher opening his speaking campaign in Marion at the Central Junior High school assailed the Townsend age pension plan and Mr Mouser who has the indorsement of the Townsend organizations of the district.

Mr Mouser meanwhile was speaking to a group in Hancock county charging Congressman Fletcher is abusing the congressional franking privilege by sending personal material through the mails without paying postage.

• • •

Fletcher Attacks Townsend Pensions

Congressman Brooks Fletcher opened his campaign for reelection in Marion last night with a scathing attack on the Townsend plan which he asserted was humanitarian in its philosophy but ridiculous in practice.

To an audience of more than 800 in the auditorium of Central Junior High school and nearly 200 outside listening over a loudspeaker system he declared the popularity of the California physicians scheme to end poor houses and depressions was slipping and that members of Townsend clubs of the Eighth district are being taken for a ride from which they'll have to walk back.

The national Republican party is against the Townsend plan he said and Grant E Mouser Jr., the Republican congressional candidate who is also indorsed by the Townsend group would be pledged to oppose Governor Landon if both are elected. He declared the plan had been turned into a vote-getting machine, and was being used to cheat and fool the old people.

Analyzes Program

Analyzing the plan, Congressman Fletcher said it proposed to give from 20 to 24 billions of dollars a year to the country's 10 million citizens over 60 through collection of a sales transaction tax. Such a tax would increase the tax bill of Marion county from about a million to five million a year and of the district from about 10 million to 30 million, he said.

"There is a need for security," he said "resulting from the introduction of labor-saving machines which throw thousands out of work. I am in favor of a decent, adequate and liberal old age pension based on common sense."

High-spots of the speech included the following statements:

"The pensioner's $200 a month wouldn't be worth a nickel. The flood of money would set up an inflation that would [illegible] prices enormously."

"It would [illegible] taxpayers [illegible] to [illegible] would [illegible] to [illegible] Townsend [illegible] Townsend [illegible] to [illegible] Townsend [illegible] to [illegible] Townsend [illegible] to

CCC APPLICANTS URGED TO ENROLL

Prompt Action Requested by Applicants Wishing To Be in Oct. 14 Quota.

Prospective applicants for enrollment in the civilian conservation corps who wish to take advantage of the 200 allotted for Marion county Oct. 14 have been urged to report immediately by F. S. Smith, local CCC enrolling agent. Enrollment is open at the present time at the local office in the court house annex at 131 South Prospect street.

Physical examination is open to a selected youth, and the only restrictions placed on the remainder of the quota is that they are from 17 to 28 years of age, residents of the county, and members of relief or near relief families. The fact that members of near relief families are eligible to enroll was stressed by Mr. Burns, who added that the youths may also come from families who are receiving old age pension, mother's pension, WPA or rural resettlement work.

Youths who register for the enrollment will be furnished with transportation Oct. 14 to Mansfield, where they will undergo complete physical examination before entraining for Fort Knox, Ky. After a two-week training period they will be placed in permanent camps.

No More Piles

Doctor's Prescription Guaranteed

Thousands of Pile sufferers do not realize that the cause of Piles is inferior circulation of blood in the rectal bowel.

This is the scientific truth about Piles—the reason why salves and ointments do not give lasting relief, why merely relieving pain does not remove the cause. Then when you actually have Piles with bleeding or protruding form, you can see why external treatments cannot remove the cause. External treatments cannot do this. An internal medicine is required. HEM-ROID, the prescription of Dr. J. S. Leonhardt, is sold by good druggists everywhere. Because it stimulates the rectal circulation it drives out congested blood, shrinks and relieves the affected parts. Don't waste time on external remedies or worry about an operation when Hem-Roid is guaranteed to relieve every Pile sufferer or money back if not joyfully satisfied with the help one bottle gives.

Hemley & Cooper

FATHER ARRESTED TWICE IN WEEK

Charles Bowers, 44, of 241 Jefferson street was arrested for the second time this week in connection with a non-support charge when he was taken into custody by police yesterday at 3:50 p. m. He was arrested yesterday on an alias warrant after authorities alleged he had not fulfilled an agreement in connection with the non-support charge filed against him.

He had agreed, authorities said, to contribute $7 a week to the support of three minor children following his arrest Monday afternoon on the charge filed by Mrs Dolly Guyton, a former wife. She had alleged that he had not contributed to their support since Aug. 1.

According to scientists, rings around the moon show that, someplace in the air above the ground, there is floating a thin layer of mist or cloud.

REFORMED CHURCH DELEGATES REPORT

Mrs. Frank Taylor, Mrs. J. W. Helstand, Mrs. H. E. Zimmerman and Mrs. Leo Feichtin gave reports of the recent Ohio synodical meeting in Lima when the Woman's Missionary society of the First Reformed church met last night with Mrs. E. F. Reardon of Mary street. Mrs. Helstand presented the study subject, "The Christian Citizenship Challenge," and also the lesson subject, "The Story of the American Negro." Mrs. Taylor announced that Christmas bags made by the society members for the Red Cross have been sent to veterans. The society will meet Nov. 4 with Mrs. Aaron Goerlich of Kenmore avenue.

SOCIETY VOTES $35 TO CHURCH FUND

The sum of $35 was given to the Salem Evangelical and Reformed church building fund by the Harmonie society at a meeting yesterday afternoon with Mrs. L. A. Cull of East Center street. The society voted to send a Christmas box to the mission home in Biloxi, Miss. Devotions by the president, Mrs. Fred Hittenrauch, opened the meeting. The study topic, "Occupying Mind and Heart," was presented by Mrs. Cull. Mrs. L. A. Keller gave a report of the eighth annual regional conference held last week in Van Wert county. The society will meet Nov. 4 with Mrs. Frank Berringer of Gurley avenue.

HULL HITS AT CRITICS

By The Associated Press

MINNEAPOLIS, Minn., Oct. 8.—Secretary of State Cordell Hull maintained today that criticism of administration reciprocal trade treaties setting forth that the pacts cost American farmers their foreign markets was "atrocious falsehood."

Makes You Forget You Have

FALSE TEETH

THURSDAY OCTOBER 8 1936

The March of Progress

Having struggled to understand devaluation of the franc last week, devaluation of the lira announced Monday should be a cinch for Americans There are the usual things to consider

The move is hailed as a forward step in the proper New York circles Italian politicians speak of it hopefully Students of international affairs are making the customary observations about economic stabilization As to details the lira which was worth about 7.65 cents before devaluation now is worth 5.26 cents—a cut of pretty close to a *fifth*

The size of the cut is a reminder of at least one thing but no one may remember to mention as one government after another joins the march of progress toward *devaluation* That is the fact that every time currency is devalued the government's obligation to its debtors i e the people, is reduced by that amount

For instance the good Italians who bought *bonds* or something to finance Premier Mussolini's adventure in Ethiopia have just been clipped for a fifth of their investment Frenchmen notoriously thrifty had the same thing happen to them Americans among others know how it goes It may be progress but it looks like slicker*ing* too if you happen to look at it the other way

He Builds Confidence.

Ohio will have a real chance to get acquainted with Gov Landon over the coming week end On his two previous excursions through the state his stops were few and brief Nevertheless he made deep impressions of sincerity and of the solid characteristics so much needed in the presidency

In returning for a more extended visit Gov Landon will be in Cincinnati Hamilton, Middletown Dayton Springfield London and in Columbus on Saturday for the Ohio State University of Pittsburgh football game He will remain in Columbus Sunday On Monday he will stop at Mt Vernon Millersburg Orrville and Akron on his way to Cleveland

To see Gov Landon to hear him talk at length or briefly from the platform of his train is to feel confidence in him He has that quality of being able to establish confidence by his appearance and manner No showman no radio star no actor striving for effect he deals out the sort of common sense Ohio wants in Washington

Garcon!

The strike of 60 000 Parisian waiters is a symptom of the troubles besetting the Blum *administration* in France Although the premier is not responsible for the strike it may be assumed that the garcons were influenced in their decision to put away their napkins and ask for concessions from their employers by the fact that the government has shown a willingness to give other workers butter on both sides of their bread

Unhappily for M Blum the waiters have downed forks at the time when devaluation of the franc has the whole country on edge Fearing an almost inevitable rise of prices housewives are storming stores and markets in an effort to stock up on goods of all sorts Discontent over the high cost of living is evident everywhere and Communists and Fascists appear to be moving toward a serious clash

In an attempt to stem the tide the government has issued decrees designed to prevent the unexpected increase in prices but if economists are correct in their predictions the *decrees* will act only as temporary breakwaters against the rising flood of living costs Workers who recently received wage increases will demand more—as many already have done—when they find they are no better off in terms of real wages

Just as habitual restaurant diners will call in vain for the garcon so may French citizens call unavailingly for relief from the high prices and other economic pressures brought about largely by a managed economy If the people call in vain for help probably it will be because an economic truth has proved itself—the truth being that a managed economy fails because it is paradoxically unmanageable

Today's dispatch begins a three-day survey by David Lawrence of Ohio one of the pivotal states which may decide the election This is the 28th state visited in a tour of 40 out of the 48 states

* * *

TOLEDO O Oct 8 The first impression that greets the visitor to northern Ohio is that the state is closely divided very close Out of the 3 000 000 votes expected to be cast one to two per cent of the voters will probably decide how the state's 26 electoral votes will be cast

For a majority of 75 000 votes will be large for either Governor Landon or President Roosevelt

When it is considered that notwithstanding the landslide everything else in 1932 this state was carried by Mr Roosevelt by only about 74 000 votes out of the 2 500 000 cast it means that a change of mind on the part of about 40 000 *persons* would give Mr Landon a majority

One might ask why not a change from Mr Hoover's vote of 1 1/2 so that 40 000 *who voted Republican this time* would vote now for the new deal party The answer is that the various polls being taken show a shift the other way Nearly every poll of importance conducted by newspapers shows that there are more votes coming over to Mr Landon from those Republicans who cast their ballots in 1932 for Mr Roosevelt than there are Republicans who voted for Mr Hoover in 1932 now going over to Mr Roosevelt Thus the Literary Digest reveals two persons going to Landon from a 1932 Democratic ticket for every one person shifting from Republican in 1932 to Roosevelt in 1936

Lemke Hurting Roosevelt

But these switches in the vote are not all Mr Roosevelt is losing votes to the Lemke-Coughlin ticket that might otherwise have gone in large part to Mr Roosevelt

Take the poll being conducted in Lucas county by the Toledo Blade A mailed ballot is being sent to every registered voter in the county with no name every kind of voter irrespective of class The polling of a total registration will eliminate the question of whether the ballot reach everybody

Now Lucas county won't Democratic in 1932 with Mr Roosevelt getting 56.6 per cent of the total vote *This year the Toledo Blade* poll shows Mr Roosevelt getting 52 per cent Mr Landon 37 per cent and Mr Lemke about 11 *per cent* If this percentage is applied to the cities of the state where generally Mr Roosevelt's vote is strong it would show that Mr Lemke is taking away enough votes so that the rural districts and towns which seem this year Republican a bit more early than usual in Ohio would be able to counterbalance with the Roosevelt strength and have a close state

In other words the Roosevelt vote must be much stronger than it is in the cities in order to make up for Lemke-Coughlin defections also for the large number of Democrats who voted for Mr Roosevelt in 1932 and are now going to return to their party in 1936

Toledo Is Fair Cross Section

Toledo includes such a large population of pro-Roosevelt labor elements as to present a fair cross-section in northern Ohio

Toledo should not be forgotten has had more than its share of strikes and disturbance and but plenty of banking troubles before 1933 Today retail business men are not saying much publicly about it but privately they are inclining more and more to the view that because their individual business are humming they do not want a change of administration

Managers of big business enterprises with few exceptions are however opposed to the Roosevelt administration and want a change because they declare the Roosevelt spending will bankrupt the country and bring an end to good business unless stopped especially when mounting taxes are added more and more to the prices of goods and firms or buyers strikes and diminished consumption

Incidentally the more I study the viewpoint of business men the more I am convinced that the administration's one-sided handling of labor controversies by federal law even though temporarily giving labor an advantage has built up such antagonisms as to lead to serious industrial disturbance

Toledo curiously enough has had its experience with labor agitators and extremists and today the leaders of thought in this city have begun to understand their responsibilities and obligations to the social welfare of the city

I believe Toledo is entitled to be called the City of Cooperation for it has introduced an industrial peace plan that appears to me to be capable of being used on a national scale but with local application in every instance rather than federal control of labor relations

The plan was described in a recent public address by Grove Patterson editor of the Toledo Blade as follow

We have an industrial peace board always organized there ready for action always alert to lend a quick hand to the settlement of these labor controversies

(Continued on Page Nine)

New Score Sheet Started

BACK TO their benches go the supreme court judges perhaps prepared to play old Nick with more new deal dreams to take some of the power out of the power companies or to give union labor tension to groan or cheer

What the score sheet will look like when the *new court term* which began today comes to an end no one can say but it is certain the hopes and fears of millions will follow the nine old men into the court chamber during the coming month Especially in view of the recent the Judges made last term in slaughtering new *deal legislation three close to the govern*ment as well as those who would like the government to be a long way off have reason to watch the crook of a justice finger to notice the inking of a deep breath before the reading of several decisions

Consider for instance the important cases already clamoring for space on the judicial calendar a list impressive enough to assure many litigants they are going to be unhappy before summer vacations roll around again

Two of the most powerful sticks of dynamite to be tossed into judicial laps will be cases brought by three utility companies *acting it* may be assumed for most of the industry Decisions in those two cases will tell whether congress may continue to lend and *municipalities* to receive loans and grants for the purpose of building power plants to sell electricity in competition with private industry

The Duke Power Co for instance seeks to stop PWA from lending money to Greenwood county S C for building its own generating and transmitting system Lower courts already have ruled in effect that the private company has no right to a monopoly and the county may go into the power business for the good of its citizens

The second case features Alabama Power Co and Texas Utilities Co in a combined attempt to obtain injunctions restraining several cities from borrowing PWA money to establish their own distributive systems under which setup they would buy power at wholesale and sell it at retail Which ever way the judges decide there will be weeping and wailing in the land

Familiar Phrases

Collective bargaining and unfair labor practices are history making phrases which will pass frequently over judicial lips when two other cases are considered Both will bring the national labor relations act under scrutiny

The first involves an appeal by the Associated Press against a recent national labor relations board's order to reinstate with back pay any editorial employe discharged the board decided because of union activity Previously the labor board had asked and received a cease and desist order *from a circuit court of appeals* Hence the appeal

Maintaining its business is not interstate an Arkansas lumber company is responsible for the second test case resulting from its unsuccessful attempts to have lower courts prevent the labor board from conducting hearings on alleged commission of unfair labor practices Naturally the government in its role of labor's friend is prepared to throw its legal stars into the battle

Farmers already receiving their share of the spotlight poured on them by both parties are scheduled to fill the stage sometime during the new court term—but they might not like the parts they are given to play They are wondering and waiting because the court will decide whether congress may permit mortgaged farmers to remain on their farms for a term of years at a minimum rental and then repurchase *their holdings* at a figure set by the court

Under terms of the Frazier-Lemke mortgage moratorium act defaulting farmers have been allowed to continue tilling their land but the constitutionality of the statute passed after a similar act had been invalidated by the court is in question A joint stock land bank is appealing against a lower court ruling in Kansas City upholding the act

Important Utilities Case

A combine of utilities companies is responsible for loading the supreme court docket with another important case which concerns a matter of procedure regarding the public utility act of 1935 rather than the constitutionality of the act May lower courts the justices must decide refuse to hear cases of utility companies seeking to enjoin the operation of a regulatory law until final decision of the case brought by the government to test the validity of the act

In other words many utility companies wanted to avoid registering with the securities exchange commission and subjecting themselves to the regulations of last year's act until validity of the law *was established or denied by the highest* tribunal District court in the District of Columbia refused this plea on the grounds that the courts would be swamped with cases beyond the power of government to defend them if the plea were allowed Instead a test case was decided upon

Adoption of a new rule last term by the supreme court covering requirements to be filed by litigants before cases will be heard may cut some pending cases from the calendar Under the new ruling plaintiffs must *prove the matter in controversy* involves monetary value exceeding $3 000 before the court will grant a hearing

It should not be difficult however to prove that *all the pending cases* listed contain considerably more than $3 000 But since all these cases have yet to be argued *no important decisions are* likely to be given before the election

Glancing Backward

TEN YEARS AGO

It was Friday Oct 8 1926

New York City prepared a big reception for the American League Yankees who were returning home to resume their World Series games with the St Louis Cardinals The Yanks had a one game lead and the Cards were counting on their star pitcher Grover Alexander the Great to lead them over the obstacle

George Bernard Shaw just past his seventieth birthday anniversary returned to England from a vacation trip to Italy and although both American and British producers were still clamoring for his works he asserted that he had passed the peak of his career as an author and dramatist This year of 1936 however finds the venerable English writer as lively and hair-witted as ever

J W Jacoby Marion attorney and realtor winding up his years term as president of the Ohio Association of Real Estate Boards declared in his closing address at the association's annual convention in Lima that more business and less political pap was Ohios urgent need

Rebuilding of the Smith Mattress company's plant partly destroyed by fire about a month before would be completed within 10 days I E Smith president announced

The first arrest of a woman here on a charge of driving while intoxicated was made by the Marion police department After spending a night in jail she pleaded guilty before Mayor Earl Hazen and was fined $75

TWENTY YEARS AGO

It was Sunday Oct 8 1916

The first meet of revival services at Epworth M E church closed with the pastor Dr Isaac Swank preaching on The Calf, or the Story of a Man who Couldn't Say No

The third annual convention of the Tri Township Sunday school association was held with representatives from Waldo Richland and Pleasant townships in attendance George Epley was elected president of the association and Homer Ebert president of the Boys Congress

Harvest day services were held by the Marion Salvation army post with Captain Hazel Mehling as speaker

The Marion Questions were defeated by the Columbus Panhandle football team at Lincoln park 54-0 The Panhandles included the five famous Nesser brothers

Miss Isabelle Jean Hogan and Paul E Mason both of Marion were united in marriage at the First Presbyterian church in Springfield O by the pastor, Rev G M Rourke former Marion Presbyterian pastor.

Roosevelt Crowd Loses Some Gloom

By PAUL MALLON

WASHINGTON Oct 8—The inner attitude of the crowd around President Roosevelt has changed perceptibly within the last week Old apprehensions about the election are fading They may be foolish themselves but they are going to be the most surprised politicos in the United States if the Literary Digest poll is right

There have been too many to believe in spooks Their trust wisely rests in such practical matters as organization

What makes them feel good right now is the accumulation of such carefully planned organization and receipts as these

The Minnesota deal forming an alliance with the Farmer Laborites the Cousens conversion in Michigan split of Republican electors in Delaware the personal drafting and nomination of Gov Lehman in New York the John L Lewis labor alliance and the possible effects in West Virginia Illinois and Pennsylvania the La Follette alliance in Wisconsin the ditching of Gov Davey in Ohio

These are not all but they are enough to explain why the White House coterie now feels better If there is anything else they can do they have not all covered it yet

Self Contentment

Treasury Secretary Morgenthau exuded smiles this week when the news came that Mister Mussolini devalued There was no cheering no comment

It is always advisable not to make up your mind about events in Italy until you receive the text of official statements and sometimes it is not even possible then to conclude what has happened

There is an additional reason why officials here first considered any new money monkeyshines on the part of Mussolini or Hitler as threefold If no immaterial Mussolini has a greater variety of assorted like than the average candy shop has different kinds of chocolates They were not permitted to be exported or used freely in international exchange Hitler has even a stronger ban on exportation of marks or gold

The truth is these two countries date not let their money go freely up against the monies of the world Their gold weakness permits them to adjust their currencies to the dollar only artificially and theoretically

Consequently what they do does not make much difference to any one except themselves

20,000 Ants

Barnstormers with Gov Landon continue to complain about personal friction within the top organization What one eminent Landon authority said about it weeks ago still holds true namely There are 20 000 ants on the log and each one thinks he is guiding the log

There are lots of little stories—one adviser pocketed some speech recommendations of other advisers and kept them from the candidate the superior manner of one foremost adviser has discouraged his helpers etc

These situations are always prevalent on the inside of large campaign organizations They are present within the Roosevelt inner circle where the President's own secretariat was anything but one happy family from the beginning

The effect on White House efficiency has not been noticeable and the effect on the Landon organization is probably being overestimated

Figuring

The Democrats seem to be better at figures than the Republicans Not only have they been able to calculate the debt increase at $8 000 000 000 instead of $4 000 000 000 as carried on the treasury statement but they can prove from the Digest poll that Mr Roosevelt will win

Here is the way one of the workers around headquarters did it rather logically with the Digest result of a recent week

Landon's straw vote to date—438 601

Total Hoover vote from 32 polled so far—3? ? ???

Landon's straw vote gain—75 646

Roosevelt straw total—282 524

Total Roosevelt 32 straw vote polled so far—290 675

Roosevelt's straw loss—8 151

Now if you take the indicated ratio of Landon's gain over the Hoover straw vote and apply it to the 15 816 000 actual votes which Hoover polled in the 1932 election you will compute the total indicated Landon vote at 19 026 000

Doing the same thing with the Roosevelt loss will give you an indicated total of 22 182 012 votes for him this year

The result is a popular vote lead of 3 165 652 for Roosevelt out of a straw poll which shows him to be losing 8 to 1 and no one can object to the logic of the deduction

And so on far far into the night

When Sailors Come Ashore

By O O McINTYRE

NEW YORK Oct 5—When a big liner has docked during the day I like to go down to the piers around dusk to watch the crew fellows all primped up come ashore for an evening in town They are mannerly seemingly content to walk the streets two and four abreast just looking

Most of them too seem undersized with milky complexions oddly cut clothes and bad teeth They are full of salutes and have a delightful way of expressing themselves They never talk to strangers unless approached and then seem pleased to converse

The majority are victims of the cheap water front barbers—haircut and shave 20 cents—and are turned out with ramifications of the bowl style of cutting As a result they suggest picked chickens and are compelled to bear the atrocity for weeks

Then too there are the pert manicure girls and the smartly dressed managers of the specialty shops aboard ship All are accomplished linguists Most of them I hear are happily married And the Romeos who expect them easy pickups find something else again

Speaking of haircuts there was a Dutch queensware merchant in our town who would journey all the way to Pittsburgh to be properly tonsored He was reminiful of Col Henry Watterson down at Louisville who would drop his tools on occasion and hie to Paris for some of his favorite sauce drenched dishes and a carafe of his favorite rose-colored wine A toddy drinker at home he would partake of wine only in France

* * *

And Russ Cole tells me of a fellow in the Internal Revenue department at Washington an estate with the spunk to carry out his notions who sends his shirts to St Louis to be laundered He believes they get a certain do on them in the Missouri metropolis he cannot acquire anywhere else Swank Englishmen years ago used to send their laundry across the channel to Paris Out of this laundry business grew the famous haberdashery salon of Charvet in the Place Vendome The first Charvet was a washer man

Memory That black cloud that rolled up out of the southwest up on an afternoon circus performance in our town And with the enormous top billowing into mountainous waves and side poles hopping the announcer stood on a blue trick animal tub and shouted

Ladeez and gentlemun A violent storm is approaching All those who remain under this canvas to do so at their own risk Then the first blow of the twister Trees weaving like feathers Women and *children* scurrying helter skelter screaming The trumpeting of the elephant and the quick snarly roar of the lion Then big raindrops hitting the tent like bullets I recall the clown who took me by the hand and comforted Now Bub don't cry You'll be all right And what little boy could cry with his hand in that of a circus clown?

* * *

Many too in our remembrance whenning like to recall the street corner medicine show and the Stetson hatted Diamond Jack with the rattle snake belt who did the spieling He was always promising us that the cork faced Alonzo would play the banjo again as soon as he disposed of these few remaining samples of Kickapoo Indian Bitters—a dollar a bottle with two bars of wonder soap thrown in Diamond Jack was master of crowd psychology When he saw a drift away he hustled on entertainment and held suckers to the end And somehow we can't see where the radio has departed from this style of statesmanship

* * *

When nearing the end of a column—and how like removing a pair of tight new shoes it is—I like to recall the old hand-set printer's idiom at quitting time Another day on the hook!

"Business nothing—that's my poker winnings!"

British Taking Precautions

Prepare To Protect People Against Gas Raids

By International News Service

LONDON Oct 8 Plans for protecting Great Britain's civil population against air raids which might strike with stunning suddenness if a European war should break out have been prepared by the air raid precautions department of the home office

The plans have been rushed to completion in view of Europe's unsettled political scene and the possible war scares that have alarmed the Continent

They include manufacture of 30 000 000 respirators for protection of civilians against gas attacks provision of hundreds of thousands of protective coverings for children and even protection for animals

The gas masks are to be manufactured and placed in huge stores throughout the country as soon as possible

Orders are also to be given for special service respirators for police fire brigades ambulance crews and decontamination squads

Plans are being made to distribute millions of booklets containing descriptions of simple precautions which can be taken in the event of a raid It is proposed that they should be circulated to every householder in the country

The air raids department has been at pains to avoid terrifying descriptions of raids

At the same time it has sought to impress on the public the absolute necessity of learning these instructions by heart

The booklet was issued by the department, of which Wing Commander E J Hodsell is chief believes that if the public can be taught what to expect and what to do in an air raid the greatest horror of all—mob panic—can be avoided

It is not proposed that there should be any compulsory gas mask drill for children or for the adult civil population but it is hoped that as soon as the gas mask store has been established the public will go to them voluntarily to become accustomed to wearing the masks

For Long Service

The respirators will be proof for long periods against high concentrations of every gas likely to be employed in war time

They cannot however be proof against mustard gas and other chemicals which attack those parts of the body not protected by the respirators That is why the public is urged to remain indoors during a raid Mustard gas it is pointed out is unpleasant and can cause serious sores but if ordinary precautions are adopted it is not fatal

Big department stores offices and works are all being asked to make some part of their premises gas proof One official of the air raid department is spending the whole of his time advising works executives

Other officials are assisting municipalities who have been asked to formulate plans for the provision of gas proof shelters and other methods of protection

Special care is to be taken that the shelters do not become overcrowded and to prevent the creation of panic-stricken crowds in other confined places which offer no protection against gas

The department is definite against the use of London's underground railways as air raid shelters At all costs they believe they must prevent the repetition of the scenes which occurred in the Tube during the last war But other and more suitable structures will be used as shelters

Serious Problem

One of the greatest problems with which the department has to deal is the protection of the hundreds of thousands of people who still live in antiquated premises which cannot be made gas proof

The necessity for effecting the complete and rapid evacuation of London's slums in time of war is therefore under consideration

Before the end of the year at least 690 fully qualified instructors in air raid precautions drawn principally from the municipal services will be placed throughout the country

They are to be trained at Falfield an estate between Gloucester and Bristol which has been bought by the home office There a large house and 2 000 acres of land have been converted into an air raid school under the supervision of home office experts

The instructors will as quickly as possible train others to take them in their own areas

Training Equipment

Orders are to be placed for the construction of 30 or 40 mobile gas chambers which will be allocated to suitable areas throughout the country

The chambers will be used to accustom civilians to the sensation of using a respirator to enter a high concentration of gas

Harmless gases will be used in the demonstrations and care will be taken that the chambers are used only in places where the uncharged gas cannot cause inconvenience

The mobile gas chambers will carry sample bottles of harmless gases constituted to smell exactly like those which are likely to be used during a raid By this means officials will be taught to recognize the lethal gases

Every doctor and nurse in the country, it is hoped is to be taught how to deal with gas cases by the instruction of doctor and nurse handbook is shortly to be issued by the air raid department

The Word of God

ENSLAVED BY LIQUOR Woe unto them that rise up early in the morning that they may follow strong drink, that continue until night, till wine inflame them Isaiah 5 11

RADNOR MAN RENAMED HEAD OF BAPTIST GROUP

Officers Reelected at Association Meeting in Prospect, Marion Girl Heads Young People.

Officers of the Marion Baptist association headed by Rev W E Hayden of Radnor as moderator were reelected yesterday at the closing sessions of the annual two day meeting held at the Prospect Baptist church Pichwood was elected for the 1937 meeting on Oct 12 and 13

Reelected with Rev Hayden are Rev F J Hunter of Richwood vice moderator Mrs Charles Rodman of Prospect clerk Miss C I Forrey of Marion assistant clerk Charles Kirby of Prospect treasurer H M Temple of Richwood and George Rodgers of Morral trustees More than 300 persons were present

Trinity church of Marion won the banner for having the largest per cent of young people at the rally session last night at which the following officers were elected for the year Miss Emma Osterholt of Fite Memorial church Marion president Paul Bacney of Ostrander first vice president William Jones of Radnor second vice president Miss Jean Quick of Trinity church Marion treasurer Miss Pauline Kidd of Emmanuel church Marion secretary Miss Helen Cox of Prospect chorister Miss Jean McColloch of West Mansfield pianist Rev Hunter of Richwood counsellor

Meetings Set

The first quarterly meeting of the Womens Missionary society will be held in January at Trinity church in Marion at which time the mens association will have a rally The Trinity young people will keep the attendance banner until the mid year meeting of the Womans Missionary association on April 15 at which time there will be a young peoples rally The place of the mid year meeting will be announced later

Elected to serve with Clyde C Smith of Trinity church Marion whose reelection as president of the Mens association was announced yesterday are the following Charles Kirby of Prospect vice president C I Lindsey of Richwood secretary W L Williams of Radnor treasurer

Program Features

Last nights rally of young people closed the meeting A potluck supper preceded the program in which Rev E W Bloomquist of Lima was the principal speaker His subject was When Life Begins Miss Helen Cox of Prospect led the opening song service and conducted devotions A vocal duet by Misses Lucile and Ilene Pierce of Emmanuel church Marion preceded reports by William Jones of Radnor Bernard Brooks of Trinity church Marion and Mrs Thelma Arthur of Fite Memorial church Marion Miss Jean McColloch of West Mansfield played a piano solo

An outstanding feature of the two-day meeting was an address given yesterday afternoon by Dr C S Seagrave medical missionary to Burma India on furlough from his work He was the speaker on the program sponsored by the Womans Missionary society

LANDON FRIEND HERE ON BOOSTER TOUR

Continued from Page One

business man and governor With this purpose in mind they have taken to the field to give a personal touch to the campaign

For the last week Mr Redmond has been touring Ohio visiting chiefly in the county seat cities Yesterday he was in Bucyrus and Mansfield Today he will go to Tiffin

Finds Ohio Friendly

Mr Redmond said here today that the hearty reception given the Landon candidacy by Ohio voters was extremely gratifying

Before leaving Marion Mr Redmond sought out T A OLeary personal friend and former Kansas man who has made Marion his home in recent years

Mr Redmond is a resident of Burlington Kan and editor and publisher of the Daily Republican Mr OLeary many years ago operated a large ranch near Burlington and it was there that he and Mr Redmond became acquainted

Mrs Redmond is accompanying her husband on the tour and both are renewing old acquaintances She is a native of St Paris O and Mr Redmonds family formerly lived in Tiffin before going to Kansas

The Marion visitor is one of the best known newspaper publishers in his home state being a former president of the Kansas Press association

WPA WORKER HELD ON MURDER CHARGE

By The Associated Press

HAMILTON O Oct 8 — Newton H Mann 30 WPA worker was held without bond today on a murder charge following the death of his father Newton S Mann

Coroner E E Cook said he believed death resulted when Manns head struck a bedpost as he fell under a blow struck by the son during an argument over finding of a whisky bottle

The victims skull was fractured

The son surrendered voluntarily He told Police Capt Byron Futgison his father objected to whisky and became incensed over discovery of a bottle beneath his bed-pillow last night.

PARTIES RESUME BALLOT BATTLE

By The Associated Press

COLUMBUS O Oct. 8—Counsel for the Socialist Labor and Prohibition parties asked the Ohio supreme court today for a second time to authorize places for candidates of both parties on the November ballot.

Secretary of State George S. Myers had ruled that petitions of neither party contained sufficient valid signatures to qualify the candidates.

Attorney George S. Blevin of Cincinnati entered a mandamus action asking the court to compel Myers to certify the candidates. He sought immediate consideration of the case.

ELLIOTT ROOSEVELT CASE TERMED CLOSED

Committee Says Incident Is Ended but President's Son Demands Rights

By The Associated Press

WASHINGTON Oct 8—Elliott Roosevelts negotiations with Anthony H G Fokker to sell airplanes abroad was labelled a closed incident today by the senate munitions committee head but from Texas came word that the principal had other things in mind

The Presidents son said at Fort Worth he would go to New York soon to consult counsel regarding the statements Fokker made in a munitions committee deposition One of the statements which Roosevelt denied, was that he contracted to sell military airplanes to Russia for a $500 000 commission

"I believe my rights as a private citizen of the United States have been infringed Roosevelt said

His expressed resentment however did not include Chairman Gerald P Nye the committees head

If I were in Mr Nyes position he said and someone accused me of withholding facts from the public I would certainly release what ever sworn matter was in my hands I have no quarrel with Mr Nye

Nye in saying that so far as the munitions committee is concerned the incident is closed asserted yesterday that since no sales were made it is obvious that the Presidents son did nothing illegal

Fokkers deposition said the terms of the contract were not carried out Except it contended that $5 000 was paid young Roosevelt before the agreement was cancelled

BANKERS DISCUSS OHIO AMENDMENT

Marion Group at Meeting, Abolition of Double Liability Urged

Adoption of a proposed amendment to the state constitution at the Nov 3 election that would abolish double liability on state bank stock was urged by Samuel H Squire state superintendent of banks at a district meeting of the Ohio Bankers association in Mansfield yesterday afternoon

Marion was represented at the meeting by Fred E Guthery F Paul Bachman R E White T L Fahey O E Kennedy R N Heisinger R C Snare H A True C C Fisher and W K Tobin Mr Guthery served on the resolutions committee

Others present representing banks in Ashland Crawford Huron Knox Morrow Richland and Wyandot counties which make up the Sixth district of the state association

In urging voters of Ohio to adopt the amendment that would eliminate the double liability on state bank stock Mr Squire pointed out the federal government already has accomplished this so far as national banks are concerned Abolition of such liability would make it possible for banks to build up their capital structures as a stronger protection to depositors Mr Squire said So-called double liability by actual experience has meant less than five cents to depositors he said

More than 99 per cent of the accounts in Ohio banks are already insured in full and double liability is not only out of date but also stands in the way of banking progress he continued This is a forward looking movement of public interest and all proper effort should be made to obtain a favorable vote It does not affect liability already assessed

Mr Squire was one of a number of speakers on the program W A Blicke of Bucyrus conducted a forum session on modern banking practices H E Cook of Bucyrus presided He was reelected chairman of the district along with T E Wise of Willard as vice chairman and Paul M Elliot of Mansfield as secretary and treasurer

KEYS, LOCKSMITH LINKED TO SLAYING

By The Associated Press

COVINGTON Ky Oct 8 — Police sought a Cincinnati lock smith said an unidentified man today as two keys missing from the house of Frances Marie Brady took on added significance in an intensified search for the womans slayer

Disclosure that the man had employed a Cincinnati lock expert to make a key similar to those owned by Miss Bradys sisters, not only pushed investigation of the crime across state boundaries but widened considerably the list of possible suspects.

Since Miss Brady was shot and killed about 1 a. m. Friday as she stepped into her home, police have sought two keys which the sisters, Ella Collins and Margaret Brady, said had been missing for many months.

POLICE CHARGE CROWD IN PENNSYLVANIA STRIKE

Wyomissing Pa suburb of the city of Reading was the scene of several clashes between state police pickets and strike sympathizers The state police are shown riding into a crowd of sympathizers after a demonstration let to a rioting mill More than two score persons received minor injuries

RESCUED SEA FLIER BOUND FOR FRANCE

Swede Saved After Falling Into Sea Off Ireland, Sails Toward La Rochelle.

By The Associated Press

VALENTIA Irish Free State Oct 8 — Kurt Bjorkvall rescued near this Irish island after being forced down in a direct New York to Stockholm flight sailed today toward La Rochelle France leaving his plane in a rough sea

The French trawler Imbrin which picked up Bjorkvall yesterday afternoon changed its course from Valentia to its home French port The plane was seriously damaged by a rough sea

The airplane and trawler made contact on a moderate sea during a moonlit night about 100 miles off Irelands west coast Bjorkvall saved the trawler radioed

Information as to the safety of the 31 year old aviator reassured three anxious watchers at Stockholm airdrome His widowed mother wept with joy Maud Dickson pretty 16-year-old Swedish girl to whom Bjorkvall before his take off said he was engaged when told of his failure exclaimed

What a pity! But dont you think its fine of him all the same? Beside her stood her mother the Baroness Inger Dickson Stockholm society leader)

Aviation experts have expressed belief the Swedish pilot must have been out of fuel when picked up

DOCTOR OPPOSES FEDERAL 'INVASION'

Group Leader from Tiffin Warns Against Control

By The Associated Press

CLEVELAND Oct 8—Scientific papers occupied the Ohio State Medical association today at its 90th annual meeting after members heard Dr R R Vonderschmitt of Tiffin retiring president warn against invasion into the field of medicine by governmental agencies and lay controlled groups

One of today's papers was by Dr George T Harding III of Columbus who discussed The Neuroses in General Practice

Representing the section on nervous and mental diseases one of four scientific sections of the association he said every physician should know something about the frequency of nervous diseases and their important mental social and economic factors

Badly handled neurotics form a large part of the clientele of quacks and cultists he said and well handled ones are among every physicians most dependable and grateful patients

The house of delegates met at noon for election of officers at which time the president elect Dr F M Huston of Dayton was to take office

MEETINGS ARRANGED

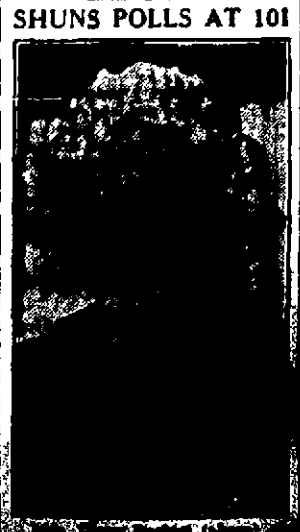
Meetings for the month were set at a meeting of Sojourners Lodge No 653 F and A M last night On Oct 14 and 28 work in the master Mason degree will be conferred and on Oct 21 there will be work in the entered apprentice degree The meetings will open at 7 o clock

PARIS BANK CUTS RATE

By The Associated Press

PARIS Oct 8—The Bank of France lowered its rediscount rate from 3 to 2½ per cent today

SHUNS POLLS AT 101



G.O.P. Cites New 'Damaging Facts' in WPA Dispute

Accuses New Deal of Trying To Avoid Quiz Into Pennsylvania Relief.

By The Associated Press

WASHINGTON Oct 8—The Republican national committee said today it had sent a further collection of damaging facts concerning charges of politics in Pennsylvania WPA to the senate campaign funds committee

Harry L Hopkins works progress administrator yesterday termed earlier charges false

The Republicans announcing that more documents had been sent to the committee accused the new deal of trying to sidestep an investigation

Their statement said the senate committee intends to prevent any real probe into the Pennsylvania situation at least until after election

Taking up a specific case in the previous charges Hopkins told reporters yesterday that Harry Hall Sharon Hill Pa whose affidavit said he had been persuaded to change his party registration to Democratic was a registered Republican whose family had been prominent in Delaware county politics

Hopkins said if politics had been predominant Hall would never have been appointed to any WPA administrative or supervisory post Hall was transferred to a Philadelphia county WPA post he said after complaints he was using his influence in the interest of Republican party politics

The Republican said additional unpublished evidence of the misuse of federal dollars in Pennsylvania will be given over the air tonight and tomorrow night by their commentator William Hard

Chairman Lonergan Democrat of Connecticut of the senate committee declared yesterday proper action will follow if the committee finds any violation of law in matters within its jurisdiction

COUGHLIN STRESSES FIGHT IN 6 STATES

By The Associated Press

PITTSBURGH Pa Oct 8—Rev Charles E Coughlin said today that in view of President Roosevelts tactics his future campaign activities would be concentrated upon a half dozen states

Roosevelt is making five speeches in Michigan he said at a press conference It is the first time in the history of politics that a President will make five speeches in one state

As the result of the Presidents campaign program in Michigan and other states Coughlin said his own schedule had been altered to place the emphasis on Illinois Ohio Michigan Massachusetts New York and Pennsylvania

EXPO TO RUN NEXT YEAR

By The Associated Press

CLEVELAND Oct 8 — The executive committee of the Great Lakes exposition voted unanimously today to resume the elaborate lake front show conditionally next year as it announced the exposition has a deficit of $1 100 000 for the 1936 season The condition upon which the committee agreed was that the projects 1937 season of 10 days be underwritten in the sum of $500 000.

OIL BURNS FATAL

By The Associated Press

MANSFIELD, O. Oct. 8—An explosion today fatally burned Mrs. Martha C. Scott, 68, mother of five children She was heating the oil on a stove to use it for cleaning

POPE'S AID AND NEW ENVOY REACH U. S.

Suvich To Reopen War Debt Issue, Cardinal Seen Checking on Coughlin

By The Associated Press

NEW YORK Oct 8 — Two of Italys foremost statesmen one the new ambassador to Washington on a formal mission the other a priest significantly associated until sailed into New York harbor today aboard the Conte Di Savoia

Far apart as their stations were the tasks ahead of his excellency Dino Suvich succeeding Count Rosso as Italian ambassador to the United States and Eugenio Cardinal Pacelli papal secretary of state to Pope Pius

With the former mild soft spoken man of 48 who was born an Australian citizen came the job if it is to be done of negotiating resumption of Italys payments on the two and a half billions of war debts owed the United States

The cardinals visit officially was entirely informal for the purpose of seeing America for the first time But those close to affairs of the church saw behind the cardinals sudden trip the intent of the Pope to have him his own observer in the final stages of [illegible] Italian Spanish conflict

CO OP PLAN CALLED FOE OF FASCISM

League Leader Says System Leads to Neighborliness

By The Associated Press

COLUMBUS O Oct 8 The President of the Cooperative League of the U S A called the cooperative system today a [illegible] ground for [illegible] economic [illegible] nates to [illegible] economy of abundance

Speaking at the opening session of the league's tenth biennial convention Dr James P Warbasse Brooklyn surgeon said

Cooperation offers the way to make the detour around fascism and to arrive at an economy of abundance without passing through the horrors of social chaos and the valley of economic destruction and death

His listeners included nearly 1 000 representatives of 6 000 000 selling manufacturing buying and financial agencies established in the United States in an effort to return to the consumer the profits now gleaned by the middlemen of private industry

Dr Warbasse said there were 11 000 consumer cooperative societies in this country

WHAT, NO PRETZELS?

Beer Advised to Still Cricket Chorus in Basement.

By The Associated Press

CLEVLLAND Oct 8—If the million crickets in Mrs Elsie Laufreds basement change their tune to Sweet Adaline blame the public library attendant who advised her on how to get rid of them

"They appeared a few days ago" said Mrs Laufred "I went down into the basement the other night and, my goodness me, there was a million of them, jumping around like a circus"

The library attendant advised beer in shallow saucers to drive the crickets away

BRITISH DICKER TO AVERT EUROPEAN WAR

Continued from Page One

sentative on the committee to representatives of countries accepting the original French proposal for non intervention

If violations are not stopped immediately the Soviet government will free itself of any obligations in the agreement the warning said

The rebels now possess many bombing planes of German and Italian origin which did not belong previously to the Spanish army The testimony of witnesses proved that supplies of arms from Portugal continues

* * *

Enough Said, Say Soviets

By The Associated Press

MOSCOW Oct 8—Official silence greeted inquiries today on future Soviet intentions in the Spanish civil war

Government officials declined to expand the ultimatum delivered to the non intervention committee in London although foreign observers agreed abrogation of the "hands off" accord might be followed by Russian aid to the besieged Madrid government

Others believed the warnings was only a gesture which would not be followed by forceful action These scouts pointed out the ultimatum probably was linked with the arrival of Marcelino Pasqua the first Spanish ambassador to Moscow Pasqua it was believed brought grave news from the Spanish capital

The Russian commissars should they decide to send military aid to the Spanish Socialists faced delays of difficulties in dispatching supplies sent as far as Germany and Italy it was pointed out could head off Soviet ships Airplanes would be endangered similarly

In addition the Soviets despite their fronts against fascism still cling to hope of peace which is vital in the Russian economic program informed sources declared

Fascists Demand Madrid Yield

By The Associated Press

BURGOS Spain Oct 8—Fascist insurgents pressing their smashing drive to within striking distance of Madrid demanded today immediate surrender of the Spanish capital

The Fascist ultimatum served on the government as the insurgent high command announced capture of town after town almost in the environs of the capital threatened destruction of Madrid by bombardment from land and air unless surrender were offered

Air raid alarms sent the city with circulars calling on the people to show allegiance to the Fascist provisional government on a ruling that further resistance was useless

From columns of Gen Francisco Francos 1 0000 men on the south and west fronts rolled back the harassed government defense line

In the immediate Talavera sector a long awaited assault was launched on Aranjuez Madrids foodway to the Mediterranean A rapidly advancing column pushed to within six miles of the railway highroad and river junction 30 miles south of the capital

Southwest of Madrid insurgents took the towns of Escalona and Almorox on the Maqueda San Martin De Valdeiglesias highway

Leaving mop up squads to consolidate their positions the Fascist column sped northward on the highway for a projected meeting with the southern wing of Gen Emilio Molas Guadarrama army at San Martin

(Government circles in Madrid acknowledged Gen Molas flanking movement on the swing to San Martin threatened to trap the government force between that column and the strong insurgent position at Naval Peral De Pinares to the north)

Another column pushed north eastward on the capital through the no mans land between Santa Cruz Del Retamar and Valmojado where the retreating government forces established their last guard in an effort to stave off the fall of Navalcarnero

Those who attended were Mrs. Lucy Price, Miss Margaret Price of Delaware, Mr. and Mrs. Marion Main of the Horseshoe road, Mr. and Mrs. John Hanover and Mrs. Emma Main of Ashley.

• • •

Mrs. Elizabeth Cline had her right hand severely injured Tuesday while operating an electric wringer. While putting clothes through the wringer her hand was caught. Her cries were heard by her son Orin who relieved her. Dr. H. W. Davis attended her and it required 21 stitches to close the wounds.

KENTON CAR SHOP RESUMES ACTIVITY

Special to The Star

KENTON, O., Oct. 8—The old New York Central car shops, abandoned by the railroad company in 1926, today showed a resumption of activity with the state highway department using it as base for work of 50 highway laborers. The Kenton Structural Iron & Ornamental Works employs 12 men there; the WPA community sanitation endeavor provides work for an additional 15 men; additional space is provided for the Paul T. Moser automobile storage, and 10 men are employed by the railroad as emergency car repair carpenters, roundhouse employes and coal dock operators. In boom times the railroad used the plant for repair of freight cars and employed as many as 250 men.

FLUSH KIDNEYS OF POISONS AND STOP GETTING UP NIGHTS

Live a Healthier, Happier, Longer Life

Thousands of men and women wonder why backache bothers them—why they have to visit the bathroom often at night—why they're weary and sometimes nervous and bossy.

Any one of these symptoms means that your kidneys and bladder need attention now before these minor symptoms develop into serious trouble.

To flush out waste poisons and acid from kidneys soothe your irritated bladder and let healthful activity into them get a 25 cent package of GOLD MEDAL Haarlem Oil Capsules and take as directed.

This harmless, tried and true medicine always works; you'll feel better in a few days as the soothing, healing oils pass through the kidneys and help flush out poisonous waste matter from the body which is often the accumulation of joint aches, aching and backache.

But be sure and get GOLD MEDAL Haarlem Oil Capsules—the original and genuine—right from Haarlem in Holland. All good druggists are instructed. —Adv.

EXPOSITION TROUPE COMING TO PALACE

"Folies de Nuit" from French Casino Will Be at Theater Next Week

The performers in "Folies de Nuit," the Great Lakes exposition French Casino show which will be at the Palace theater next Wednesday and Thursday have appeared in this country before but few in any theater.

They were recruited for the Casino at the exposition to assure outstanding entertainment in the gay Streets of the World section.

The company numbers more than 50 artists and is on tour with every scene that was produced at the exposition.

For the Marion performance the music will be presented by the Casino's own swing orchestra led by Tommy Ryan. Among the stars in the show are Trio dancers from the French Riviera, Bernard Broth ers & Dumas dancing artists the Atmosphere Dorothy and the Three Fontana, Jean Lee et Trois Lees, Tung Fia Soo and Raoul Cook. "Folies de Nuit" means Follies of the Night" and the titles of many scenes in the show are said to furnish more than an inkling of the particular follies illustrated. They include "Ala la Toit de Paris" "Asse La Can Can" "Dawn in Mortmarte" "Promenade de Jeune Filles" and "Ballet de Stratosphere."

Your Health

BY DR. R. S. COPELAND

Drugs

THERE IS much dispute over the effect of stimulants. There is a marked difference of opinion regarding them.

Why does a doctor ever prescribe a stimulant? It is to give the whip to a flagging heart. It matters not what drug is given whether it is strychnine alcohol aromatic spirits or something else. The purpose is to excite the heart to more energetic action.

But there are other ways to stimulate the heart than by the giving of drugs. Happiness joy enthusiasm excitement pleasurable emotions—all of these are almost as stimulating as wine or powerful drugs.

Once when President Monroe was an old man he had occasion to take part in a social function given in his honor. Much praise was given him of course. When someone suggested he must be tired out he replied: "A little flattery will support a man through a great fatigue."

That was a gracious and tactful reply, but it is more than this. It goes to the foundation of a great psychological and physiological truth.

When the heart flags then comes fatigue. A tired feeling and a weak heart are frequently associated. It happens often that the greater the fatigue the weaker the pulse.

If a tired person with flagging heart and weak pulse is given an appropriate dose of heart stimulant there is almost immediate response. The pulsations grow stronger and the blood is sent in more powerful streams to every part of the body and brain.

What happens then? The feeling of fatigue grows less and for the time it may disappear entirely. There develops a sense of physical well being.

But to accomplish this it is not necessary to give wine or a drug because as Mr. Monroe so aptly said: "A little flattery will support a man through a great fatigue." The pleasing words of a kindly person may excite the heart set the pulse to beating and remove the symptoms of fatigue.

The mind has a recognized control over the bodily functions. It is not a mysterious matter either. Mind and brain are so interlocked that when the mind is aroused the brain sends its message to every part of the body including the heart. This impulse may stimulate the heart to fuller action or it may abate and retard its movements.

I would not have you get the impression that drugs are never needed. In my opinion many a man at the brink of death has been revived and restored to health and vigor by the use of a proper re-

PROSPECT AUTO DRIVER IN COURT

Reckless Driving Charge Filed Following Accident Here

Willis Thomas of Prospect was ordered in municipal court here yesterday on a charge of reckless driving in connection with a traffic accident on South Main street Sept. 24. He pleaded guilty and was released on his own recognizance to appear Oct. 16 at 3 p. m.

The accident involved a passenger car driven by Thomas and a truck operated by Frank Kenyon 18 of 419 Blaine avenue. The vehicles apparently hooked fenders as they pulled away from a traffic light at Main and George streets according to police reports.

Fifteen Harding High school pupils narrowly escaped with only minor injuries when the truck in which they were riding with Kenyon turned over following the collision. The reckless driving charge was filed against Ollie Kenyon of 419 Blaine avenue, mother of the youth.

Answers to Health Queries

A Mother: Q—My boy who is 14 years old still wets his bed. What can I do to correct this habit?

A—For full particulars restate your question and send a self addressed stamped envelope.

Mrs. A. J. S.: Q—What do you advise for poison ivy? My son has been troubled for two summers.

A—For full particulars send a self addressed stamped envelope and repeat your question.

Mr. T. W.: Q—What can be done for an oily scalp? My hair is falling out badly and I am afraid of becoming bald. Would alcohol be of any advantage under the circumstances?

A—The condition of the scalp and hair is apt to reflect the state of the general health. Careful shampooing and rinsing and the use of good hair tonic should tend to keep the scalp clean and healthy. For further particulars send a self addressed stamped envelope and repeat your question. Alcohol is apt to be very drying.

CLEAN FALSE TEETH QUICK EASY WAY

Use Kleenzaplate—No Brushing—Recommended by Dentists—No Powders

Pour a little KLENZALATE—harmless liquid—into half a glass of water. Lower your removable bridge or plates or false teeth in it, while you dress or overnight. NO BRUSHING. Just rinse and your plates will sparkle and be fresh clean and sweet. Clean where brush can't reach.

KLENZALATE sterilizes and removes germs and deposits from the pores in the plate restoring it to original suction or gripping, you'll notice at once that you won't no longer need any powders to hold false teeth and you will really enjoy good health.

KLENZALATE positively removes nicotine tartar sticky film and bacterial. Foods bad taste and bad breath and helps teeth sparkle like new. Guaranteed safe and harmless. Get it at any drug or department store. Thousands of delighted users and dentists recommend KLENZALATE. If not satisfied money gladly refunded at Heuney & Cooper's Drug Store.—Adv.

BUCYRUS COUPLE WEDDED 50 YEARS

Special to The Star

BUCYRUS, Oct. 8—Mr. and Mrs. A. J. Wisman observed the golden wedding anniversary here Tuesday afternoon and evening by holding open house for relatives and friends following a five course turkey dinner served at noon at the Bucyrus restaurant. With them for the occasion were their two daughters from the west, Mrs. James J. Boyle of Los Angeles and Mrs. Fred W. Moore and daughter of Flagstaff, Ariz. and another daughter, Mrs. James B. Graham of Bucyrus.

4 INCHES OFF HIPS! SAFE! HARMLESS!

No matter how hard you have tried to reduce without good results you owe it to yourself to try Korjenn the famous fat reducer.

We recommend and sell Korjenn Tablets because they are a scientific enemy to fat. They dissolve the fat making it become liquid so it passes from the bowels through daily elimination. You can actually see fat disappear with the very first two weeks treatment.

A Detroit lady writes: Korjenn is the only reducing treatment that gave me results. I lost 3 to 4 pounds a week. The most remarkable thing about Korjenn is that I feel fine. Signed Mrs. Ann Jaminet 4083 West Euclid Detroit Mich.

It's easy simply take one Korjenn Tablet after each meal. EAT WHAT YOU WANT but eat moderately, no violent exercise, no tiresome dieting, no strict diet. Soon you will see added change. Ugly surplus fat where most prominent gradually disappears leaving skin smooth and firm.

Enjoy the sensation of seeing that burdensome fat just melt away. Surprise your friends by having a trim and slender figure. Korjenn is Guaranteed SAFE—it's harmless and inexpensive. Don't wait give this marvelous reducing treatment a trial. If not delighted in two weeks we'll see that your money is promptly refunded.

Harding Teams Set for 2 Games Under Lights Friday

Varsity To Meet Galion in City's First Night Contest

Richwood High and Marion Reserves Booked for Preliminary Game; Rivals Share Field in Practice.

HARDING HIGH school's gridiron warfare will be waged on two battle fronts tomorrow night as the new floodlighting system is used for the first time. The varsity eleven will entertain Galion High gridders in the initial North Central Ohio league game on the home field and the junior Presidents will be host to the Richwood High team in a preliminary contest.

The Richwood-Reserve game will open the program at 6:15 o'clock. The varsity contest will follow immediately.

After a one-day rest, the varsity team was given a three and one-half hours practice session last night by Coach Carl Cramer as a part of the preparation to meet Galion. The junior varsity squad was also put through a stiff practice schedule but was waved to the showers earlier by Assistant Coach Bill Williams.

Coach Bob Corry brought 24 members of his Galion High team to the Harding stadium last night to give them an opportunity to practice under the lights. The Galion team spent most of its time in passing and punting to accustom themselves to night football, while Harding's team had drill work, scrimmage and finished with three turns around the quarter-mile cinder track.

The Presidents worked well under the floodlights and this week, for the first time since the opener at Delaware, Coach Cramer will have a club which is practically free from injuries to send against the opposing team. The Harding varsity was scheduled to hold a dress rehearsal practice today and iron out last minute details for the night game.

Galion will be seeking its first victory of the season when the team takes the field against Harding. The Corry-coached team dropped the opener to Willard, 7 to 6, was defeated by Crestline, 12 to 6, and last week lost the opening N. C. O. game to the strong Ashland squad, 27 to 0.

The Presidents are rated as favorites against Galion, but both games are expected to put evenly matched teams against each other. Measuring the reserves' possibilities remains a difficult task when the fact is considered that the Richwood squad will have junior and senior high school students in its line-up while the Harding junior varsity is composed entirely of sophomores.

The Reserve team has played two games this season, winning over Mansfield on the foreign field, 13 to 7, and falling before the same team at Harding field, 7 to 0. Assistant Coach Williams has been anticipating that his proteges will face a veteran outfit when Richwood takes the field.

Starting line-ups of the varsity teams are still doubtful but last week Marion sent this roster against the Mansfield Tygers: Sharrock and Harper ends; Stupperich and Young tackles; Gast and Wintermute guards; Fick center; Williams quarter; Scott and Castner halfbacks and Decker fullback, while Coach Corry started this lineup against Ashland: Ewartz and New ends; Hocker and Thayer tackles; Pangelio and Davis guards; Maddens center; Staub and Schreck halfbacks; Grosh quarter and Kump fullback.

Schedule of Grid Games

THURSDAY

Central Jr. High vs. Edison Jr. High at Harding stadium.

FRIDAY

*Galion at Harding (varsity).
Richwood at Harding (reserves).
Kenton at Ada.
Mt. Gilead at Sunbury.
Crestline at Norwalk St. Paul.
Bucyrus at Willard.
Forest at LaRue.
Ashley at Columbus, Ohio School for the Deaf.

SATURDAY

*Shelby at Ashland.
*Mansfield at Mt. Vernon.
Fostoria St. Wendelin at Upper Sandusky.

*Denotes N. C. O. games.

Jus Lindgren, assistant football coach at Illinois, is starting his 23rd consecutive year on the university staff.

FOX HUNTERS' ASS'N. PLANS ANNUAL MEET; 6-DAY PROGRAM SET

Hundreds of Hounds Expected To Participate in Event in Jackson Co. Hills.

By The Associated Press

JACKSON, O., Oct. 8—These green Jackson county hills, now turning yellow with the coming of autumn, will echo next week with the baying of hundreds of hounds and the pounding of the hoofs of hundreds of horses.

R. Hoxey Wick, president of the Ohio Fox Hunters' association, announced today that the association's 17th annual field trials, derby, and finish show, a six-day event and one of the high spots of the mid-dle west fall sports calendar, would open promptly at daybreak Monday with casting of the hounds for the derby.

Dan T. Maupin of Berea, Ky., will be master of the hounds, and from the crest of a hill he will set the straining dogs off. The event will be open to any hound two years old or younger.

Wick predicted 400 fox hunters from a dozen states would come to this southern Ohio Welsh community. Lon Shoune of Lexington, Ky., president of the National Fox Hunters' association, has described the rolling land as the best fox-hunting country in the United States.

The derby and field trials will be held on the Phillip Johnson farm six miles south of here. The annual skeet shoot will be held Tuesday at the Jackson County Skeet club, with 100 marksmen entered.

The Jolly Joysters club met Thursday at the home of Mrs. Paul Hetzner. Mrs. Marie Crates conducted devotions.

Wally Berger of the Boston Bees was the only slugger to home-run in every city on the National league circuit last season.

Home Town Hails Bob Feller

Bob Feller — Marguerite

When Bob Feller, 17-year-old pitching sensation of the Cleveland Indians, returned to his home town of Van Meter, Ia., to finish high school, he was given an enthusiastic welcome by the home town folk. Feller, who tied the big league record of 17 strikeouts in one game, is shown with his sister, Marguerite, during the homecoming.

The Sportsman

BY LARRY BAUER

AN official of a prominent sportsman's organization once said: "Hunters think nothing of killing more ducks than they need—yet they begrudge the few taken by hawks, which must kill to live."

The truth of his words is evident in the so-called "campaigns to control" the hawk, which, in some cases, have resulted in downright slaughter. Individual persecution also has taken a great toll of these birds. Among the species becoming rare is the marsh hawk and the peregrine falcon, commonly called duck hawk.

Despite the fact that the peregrine is a killer, its extinction would serve no good purpose and there would be another irreplaceable link in the great scheme of the outdoors. The nature lover would miss this hunter of the skies.

An interesting description of the duck hawk in action, by a Lake Superior wild life observer, is contained in the following:

Fast and Fatal

"Close kin to the sporting falcon of the middle ages, this hawk has been clocked in flight at 180 miles per hour. It nests on inaccessible crags and rides the wild lake gales.

"From the cliff above a nest north of Little Marias this hawk may be seen daily, cleaving the air with short, powerful win strokes, making sporty kills for food. Its quarry seldom escapes.

"Like other falcons, the peregrine takes its prey in pursuit. A blow from its clenched talon or plummeting breast means quick, sure death.

"Near the nest the hawk was observed patrolling the shore at a considerable height—an altitude that perhaps made it forgotten or unseen by prospective victims.

Hawk Strikes Like Lightning

"Its flight was darting and rapid. At times, when heading into the wind, it slid off sidewise and covered a mile in a matter of seconds. Suddenly along the cliffs appeared five swift-moving teal ducks. The hawk swung into action.

"Like a thunderbolt it headed toward the flock. The ducks continued oblivious of the danger. Then like lightning the hawk appeared slightly ahead of its prey and the teal scattered in all directions.

"In a split second the falcon was upon one. The duck bounded dead from a blow and fell into the water. The hawk glided on, and knocked down another.

"Swooping leisurely it picked up a duck, then flew toward the cliff. Glasses that followed its flight disclosed the nest—hitherto unnoticed—which contained two downy fledglings. The parent bird tore up its victim and as the young fed upon it, returned for the second duck.

"The display elicited admiration. Here was a bird killing by dint of irresistible flight powers as contrasted to stealth, dogs, decoys and other accessories employed by man."

LIGHTNING VICTIM

Eleven members of a Canton, O., football team were injured and the captain, Don Correll, above, was killed when a bolt of lightning struck the squad during scrimmage. (International News Photo)

GALION DRILLING IN PREPARATION FOR CONTEST AT MARION

Left End Laid Up for Remainder of Season by Injury in Ashland Game.

Special to The Star

GALION, Oct. 8—Galion High school football men are this week practicing for a game with Harding High school gridders at Marion Friday night.

Schwartz, left end, who received a twisted knee in Saturday's game with Ashland here will be unable to play for the remainder of the season.

The line-up for the Marion game will be much the same as last week, with the exception of Snow who will play quarterback in place of Groom.

Those who will play according to a release made this morning by Coach Robert Corry are: Ness and Adams at ends; Davis and Hocker at tackles; Pangelio and Thayer at guards; Maddens, center; Kump fullback; Schreck, left halfback; Staub, right halfback; Shaw, quarterback.

RIPPER COLLINS AND LON WARNEKE TRADED

Branch Rickey Announces Straight Player Deal Involving No Cash.

By The Associated Press

ST. LOUIS, Oct. 8.—Branch Rickey, vice president and business manager of the St. Louis Cardinals, said today Jim "Ripper" Collins, first baseman, and Le Roy Parmelee, pitcher, had been traded to the Chicago Cubs for Lon Warneke, pitcher, in a straight player deal involving no cash.

Collins is a product of the Cardinals' farm system and was brought to the Red Birds direct from Rochester of the International league, a class AA asset of the St. Louis club. Until this year, he has been a regular and one of the best distance-hitters on the club. This season he slumped badly and gave way at first base to recruit Johnny Mize.

Parmelee came to the Cardinals last winter from the New York Giants in a straight player deal by which second-baseman Burgess Whitehead went to Manhattan to get a lostr's share in the late World Series. He started off well but failed to finish many games in the last half of the season.

Warneke has been the ace of the Cub pitching staff for several seasons and is regarded as one of the best right-handed hurlers in either big league.

The only U. S. Olympic teams on which college undergraduates predominate are the track and field, rowing, and wrestling squads.

Season of Active Trading in Big Leagues Forecast

By Paul Nickelson
Associated Press Sports Writer

NEW YORK, Oct. 8—Baseball magnates expect one of the liveliest player marts in years this winter.

While there's plenty of money in the cash boxes, good players are increasingly hard to find. So the raid is on.

The World Champion Yankees seem set without player worries, however.

Here are the setups club by club, before the trade winds blow a gale:

American League

Yankees—Lot of good rookies coming up from Yankee farms. Biggest need is two good starting pitchers and a capable reserve infielder. Manager Joe McCarthy set as manager.

Tigers—Rudy York has been recalled from Milwaukee and will play first base or the outfield depending on the success of the experiment of moving brittle Hank Greenberg from first to the outer garden. George Tebbetts, rookie from Beaumont, may replace Manager Cochrane as catcher.

White Sox—Crying need is a catcher to replace aging Luke Sewell.

Senators—Need another infielder and outfielder, who can hit and one good starting pitcher.

Indians—The Indians would settle with a decision giving them Bob Feller with no string attached.

Red Sox—Pitchers is the cry in the land of milk and honey. Will trade first baseman Babe Dahlgren for an outfielder or a pitcher.

Browns—Despite reports, there's plenty of cash in the Brownie till but prospects are low with no help in sight. Roger Hornsby probably will stick as contract has two years more to run.

Athletics—Connie Mack's outlook is very bright. Flock of fine rookies coming up to help the A's who developed fast toward the end of the season.

National League

Giants — Manager Bill Terry's greatest job is to replace Travis Jackson at third and get some batting punch.

Cubs—The bars are down. Owner Phil K. Wrigley wants "he men" who play ball for keeps and Manager Charley Grimm has his consent to rebuild from the bottom up.

Cardinals—First baseman Rip Collins and catcher Virgil Davis on block as bait for pitching talent.

Pirates—A second baseman who can hit is the demand. Good rookies coming up.

Reds—Reports are that Chuck Dressen may not return as manager. Another heavy hitting outfielder and a good pitcher required.

Boss—Pitchers Lon Feute from St. Paul and Ira Hutchinson former White Sox flinger, coming up together with outfielder Frank McGowan, heavy hitter from Buffalo.

Dodgers—New manager coming up and possibly change of ownership. Biggest need is a second baseman and shortstop.

Phillies—Coach Hans Lobert expected to succeed Jimmy Wilson as manager. Need everything.

In parts of Europe, referees at wrestling matches stand in the ring with a whistle and control proceedings like a traffic cop.

When Carl Reynolds, Washington Senator outfielder, was ejected from a recent game it was his first forced exit in 10 years in the majors. Reynolds threw out Umpire Bill Summers.

ARMY ENGINEERS TAKE RIVER DATA

Hearing in Progress at Fremont as Part of Scioto-Sandusky Program

Another step in the movement toward a federal program of flood control during the Scioto and Sandusky river was being taken today in a hearing at Fremont to which necessary information and data for the program was contributed. The Associated Press reported.

It proposed to build a series of dams along the two rivers to control floods and halt the dropping of the water table throughout the area. Marion would be benefited by the Scioto dams, officials declared during hearings this week.

Army engineers at Fremont heard proposals for dams on the Scioto below the Delaware dam, at Prospect and the building of dams farther north at Bucyrus and Wiley.

Col. J. A. O'Connor of Buffalo district army engineers, presided at the hearing. Present officials from Sandusky, Seneca, Crawford and Wyandot counties discussed the needs for control of flood waters.

One problem, P. L. Harris, member of the Bucyrus chamber of commerce, brought out in the hearing was the need for checking flood waters at Fremont and the danger of water shortages further upstream.

Tiffin's service director, Harold Hakes, proposed the construction of upstream dams, and warned the engineers that political subdivisions were willing to obtain right of way easements for dam construction.

Colonel O'Connor pointed out that conservancy was of secondary interest, since the bill under which a survey is being made called for a study of flood control of the Sandusky river.

The Ohio state government will establish a uniform code to speed the improvement of transportation by rail, water and highway.

POCAHONTAS MEET AT UPPER SANDUSKY

Leader From Springfield Addresses Assembly

Special to The Star

UPPER SANDUSKY, Oct. 8—Great Pocahontas, Ida Bates of Springfield addressed the Pocahontas session of Pythian Sisters lodge in Upper Sandusky Thursday with many of the state officers present. A Pocahontas of Tomorrow contest was sponsored by Mrs. F. L. Lamborn, and was won by Miss Dorothy Ann Hoffman.

Mrs. Harry Clark was elected Worthy Matron of the Upper Sandusky Order of the Eastern Star at the meeting held Tuesday evening.

The Young Women's Missionary society of the First Evangelical church met with Miss Florence Ehrhart.

The Marion Township Welfare Bureau will open today in the basement of the parsonage of the Methodist church. Mrs. F. Fisher was in charge of the opening.

The Pen Light League met at the home of Dorothy Swisher with Miss Adelaide Shaw in charge of the session.

Miss Kathryn Glick entertained the Rosary Sacred League Tuesday evening.

The Samaritan class of the Presbyterian Sunday school met Tuesday evening at a Halloween party with Mrs. Nelson J. Rahn and Mrs. C. M. Beaston in charge of the social program.

Mrs. B. E. Hudson entertained the J. O. C. class of the Methodist Episcopal church Tuesday evening with Mrs. Ezra Fay. Miss Myrtle Moody, Mrs. C. L. Garner and Mrs. H. S. Pfeifer were assistant hostesses.

An ambulance service has been established by a physician in Spain to serve persons in the Spanish war.

BOARD AT MT. GILEAD SAYS LEVY ESSENTIAL

Members Declare Full School Term Impossible Without Added Revenue

Special to The Star

MT. GILEAD, Oct. 8—The Mt. Gilead board of education has decided that there will be insufficient funds to run the schools for the full term unless the people vote the additional levy of approximately 5 mills in the November election.

A three mill levy in effect the last five years expires this year and the one and one-half mill levy which the board proposes is designed to partially overcome the loss.

The difference between the two levies is now paid for by the state in amount received from the state under the foundation school law.

MILTON LASHLEY NAMED DEACON

Milton Lashley of the Park Street A. M. E. church was made a deacon of the North Ohio conference at the annual session held last week at Cleveland. Rev. Mr. Lashley's appointment was announced by Bishop Clair today. He is active in the work of the local church and frequently occupies the pulpit the Sunday and mid-week services. The congregation has been notified of the assignment of a pastor to the local church. It was announced today.

BUCYRUS WOMAN CLAIMED BY DEATH

Special to The Star

BUCYRUS, Oct. 8—Funeral services will be held Friday at 10 a. m. at the Wise funeral home for Mrs. Katherine Armbrust Gottfried, 91, who died at the home of her daughter, Mrs. Earl Schearer here Tuesday. Burial will be made in Lima. The Rev. H. F. Glick, pastor of Good Hope Lutheran church, will officiate at services.

Survivors include three children and one brother.

SUNDAY SCHOOL PARLEY SCHEDULED

Special to The Star

NEVADA, BUCYRUS COUPLE MARRIES

Special to The Star

BUCYRUS, Oct. 8—The marriage Tuesday at Nevada of Miss Mary Williams of Nevada and Arland F. Stuckert, son of Mr. and Mrs. John W. Stuckert of Bucyrus, was announced here today. The ceremony was performed by Rev. K. R. Roberts. Mr. and Mrs. Stuckert will live in Bucyrus.

LANDON GIANT

A giant sunflower 14 feet tall is held by E. H. Philbrick of Camden, Me., as a symbol of a 10,000 Landon Maine majority. Mr. Philbrick and his son, shown above, demonstrate use of plant and say it is still growing upwards.

SOCIETY TO HOLD NOVEMBER RALLY

A membership rally in November and the year's program of work were discussed at a meeting of the Ladies Aid society of the Lee Street Presbyterian church yesterday afternoon with Mrs. Herman Sherman of 510 Oak street. The hostess was assisted in serving lunch by Mrs. Clara Neal. The society will meet Oct. 21 with Mrs. G. A. Blair of Cottage street.

REBEKAH CIRCLE IS ENTERTAINED

Mrs. Merle Ferguett was hostess to the Sorrow Ki Rebekah Friendship circle Wednesday afternoon at her home on North Vine street. Assisting hostesses were Mrs. Ethel Risler and Mrs. Elizabeth Hughes. Twenty-one members responded to roll call. Contest awards were won by Mrs. Cynthia Musselman and Mrs. Edna Shetterly. The circle will meet in two weeks with Mrs. Margaret Healy on York street.

4-H CATTLE JUDGES LEAVE FOR TEXAS

Special to The Star

MARYSVILLE, Oct. 8—Members of the Union county 4-H club dairy cattle judging team which won the dairy judging championship of Ohio at the recent Ohio state junior fair left Wednesday in two automobiles for Texas to participate in a national dairy cattle judging contest.

The team consists of Richard G. Schmidt, Jr., and Alva G. Daniels of New California, Paul Boerger of Marysville, and Leo J. Schmidt of Milford Center.

UNION CO. G. O. P. TO HEAR LANDON

MARYSVILLE, Oct. 8—Republican leaders of the county today indicated that a large delegation headed by Jesse McAllister, county chairman, will go to Springfield Saturday to hear Gov. Alf M. Landon in a brief platform address enroute from Cincinnati to Columbus. Union county party leaders are also expecting to attend a dinner in Landon's honor at Columbus on Saturday evening.

LADIES' AID SOCIETY MEETS NEAR RADNOR

RADNOR, Oct. 8—The Ladies Aid society of the M. E. church met Thursday afternoon at the home of Mrs. Albert Jones south of Radnor. The meeting opened with the devotional leader, Mrs. Fred Jones, reading the fifth chapter of Matthew, followed by a recitation by Marilyn Warlington, readings by Mrs. S. P. Belt, Mrs. Flossie Osborn and Mrs. Harvey Davis and a prayer by Mrs. S. P. Belt.

The business meeting closed with prayer by Rev. A. J. Bussard. Guests were Miss Cora Teed and Mrs. W. T. Ferguson of Magnetic Springs.

Announcement is being made of the marriage of Mrs. Viola Wood, daughter of Allen Gray, Radnor and Lloyd Bosh, son of Mr. and Mrs. Fred Bosh of Radnor, the ceremony being performed Saturday morning at the residence of the officiating minister, Rev. L. Dickerson of Prospect. They will make their home on a farm on the Dilding road south of here.

26 MORROW YOUTHS APPLY FOR CALVES

Buy Their Own Animals Now Under Supervision of County Agent.

Special to The Star

MT. GILEAD, Oct. 8—Twenty-six Morrow county boys and girls applied for feeder calves at the organization of the calf club at the office of Elwood Davis, county extension agent, Tuesday night.

The calf club in other years has operated under the supervision of the Morrow County Livestock Shipping association. The association furnished the money to purchase the calves which the boys and girls fatten for exhibition at the Morrow county fairs.

This year the club will be under the supervision of the county agent. Each boy or girl will purchase his calf individually through money obtained from the Marion Production Credit association. The calves will be sold after exhibition at the county fair next year.

TO ATTEND CAMP

A group of members of the Marion area, Reserve Officers association will attend maneuvers at the combat camp located at the Erie proving grounds on the west side of Camp Perry Saturday afternoon and Sunday. E. H. Shade and J. W. Llewellyn are among those planning to attend.

DISTRICT BRIEFS

WYANDOT—About 20 friends and relatives surprised Mrs. J. P. Sagendorph at her home Sunday. A potluck dinner was served to Mr. and Mrs. O. O. Habeizel and Mr. and Mrs. F. E. Corfman and children of McCutchenville, Mr. and Mrs. Lewis Habeizel and daughter of Tiffin, Mrs. Mae Norris and sons, Miss Harriet Bardon and Cyrenus Bardon of Sycamore and Robert Sigler of Bowling Green were Mr. and Mrs. W. J. Veness and family, Mr. and Mrs. Paul Weston and family, Mr. and Mrs. Elmer Myers and family, Mr. and Mrs. Sam Foos and family of Brush Ridge.

RADNOR — There will be a Townsend and Lemke rally here tonight. William Edward Lyle, independent candidate for congress from the 17th district, will speak.

NEVADA—Mrs. C. G. Barth had the toes of her right foot badly crushed when a 50-pound chunk of ice fell on her foot.

MARYSVILLE—I. M. Judkins of Lima, commander of District No. 2 Veterans of Foreign Wars, installed newly elected officers of Mack Winget Post V. F. W. at a meeting in Company F. Armory on Wednesday evening. J. S. McFarren, veteran of the Spanish American war, was installed as post commander.

GALION—Attorney George Davies, former city solicitor, is in Good Samaritan hospital suffering with injuries received when he fell from a ladder Wednesday afternoon at the W. A. P. Belt home on the Galion-Bucyrus road.

MT. GILEAD—Rev. L. Eugene Rush, president-elect of the Mt. Gilead Kiwanis club, L. V. Aull and Dr. C. S. Jackson were named Wednesday as delegates of the club to the state convention of the organization at Dayton.

UPPER SANDUSKY—Glen Kiefer of Nevada was fined $25 and costs before Justice of the Peace F. E. Weldaw Monday on a charge of reckless driving. The fine was suspended on condition that he pay $5 damages to Marion Stansbery whose car he recently crashed into near this city.

KENTON—Rev. A. A. Ames, pastor of the Kenton Church of Christ, has been elected president of the Kenton Ministerial association for the ensuing year.

A. J. MELLISOR ELECTED BY P.-T. A.

Named Head of George Washington School Group.

A. J. Mellisor was elected president of the George Washington school Parent-Teacher association at the first meeting of the year held last night in the school. P. O. Bretz was elected vice president and R. Gamsey, secretary. The three offices were created to create acceptance of resignations and the new officers were installed by Mrs. Walter A. Jones, president of the City P. T. A. council.

Miss Grace Cairns in a talk which she spoke on the subject of the welfare problems among school children, urged Dr. Bretz to attend the convention in Toledo Oct. 21-23. The meeting opened with community singing a salute to the flag and devotions conducted by Rev. J. A. Carriker of the First Lutheran Presbyterian church. Entertainment consisted of piano solos by Nanette and Angeline Mascio, piano selections by Naomi Gilhead and a One Man Band number by Homer P. Bordley.

The organization voted to cooperate in the sale campaign for membership in the hospital clinic and assisting in the purchase of needed clinic books. A picture and radio room having the largest membership per cent went to the Harding room. Refreshments were served in charge of Mrs. O. O. Clark and her committee.

LODGE CARD PARTY HELD AT TEMPLE

The second of a series of card parties sponsored by Carl Temple No. 57 Pythian Sisters was held yesterday. Awards for high scores were won by Mrs. Ira Plew and Mrs. V. Cardwell. Mrs. Pochert is chairman of the committee in charge of the party. A similar event will be held next week.

LEGION AUXILIARY TO INSTALL OFFICERS

Officers will be installed at a meeting of the American Legion auxiliary, Oct. 13 at the Dugout. Plans also will be made to attend a reception honoring Mrs. Harry Marsh of Columbus, newly-elected president of the state organization on Oct. 17 at the governor's mansion in Columbus. A social hour will follow the business session.

WYANDOT HUSKING RACE SET FOR OCT. 29

Will Be Held on O. C. Berg Farm Under Sponsorship of Chamber of Commerce

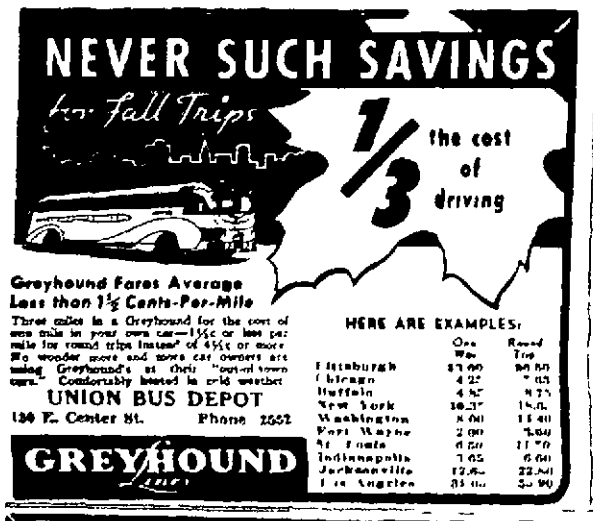
Special to The Star

UPPER SANDUSKY, Oct. 8—Final arrangements have been made for the 1936 Wyandot county corn husking contest which will be held (illegible) Oct. 29 on the O. C. Berg farm under the sponsorship of the Chamber of Commerce.

Trophies will be awarded to the best husker, to the one making the most husked ears and to the second, third and fourth best huskers. A special prize will be awarded to all ladies husking over a bushel and a half. Entries must be made at the chamber of commerce office before Oct. [illegible].

J. W. KEYES DIES NEAR MT. GILEAD

MT. GILEAD, O., Oct. [illegible]. W. Keyes, 65, a retired farmer died of hardening of the arteries yesterday at his home in Harmony township east of Mt. Gilead. He was born Nov. 19, 1870 in Morrow county. He lived all his life in Franklin township until a year ago when he moved to Mt. Gilead. Last spring he returned to the farm home. Surviving are his widow, nine children, Floyd, Mt. Gilead and William of Mt. Gilead, of Fredericktown, Wade, Vernon, Mrs. Teresa Fox, Mrs. Gladys McDaniels of Fredericktown, Mrs. Bertha Sykes, Mt. Vernon and Mrs. [illegible] Brake of Chesterville, four brothers, William and Elmer [illegible] and Charles and Dan of North Woodbury and two sisters, Mrs. Lute Putman of Mt. Gilead and Mrs. Anna Wise, Mrs. Tillie Levering of North Woodbury. The funeral was conducted Saturday, at the North Fork church east of Mt. Gilead. Burial was made in the church cemetery.



Greyhound Fares Average Less than 1½ Cents-Per-Mile

Three miles in a Greyhound for the cost of one mile in your own car—1½c or less per mile for round trips. Instead of 4½c or more. No wonder more and more car owners are using Greyhound's at their "second-town cars." Comfortably heated in cold weather.

GREYHOUND Lines

DON'T BE FOOLED

Brooks Fletcher is inferring that Governor Alfred M. Landon has stated *that he is opposed to the Townsend Plan*. Governor Landon has not stated that he is against this Plan or any other great humanitarian principle. Mr. Fletcher is the only one who is casting reflection upon the thousands of people who belong to this movement in the Eighth Congressional District.

OLD AGE PENSIONS

Grant Mouser Jr.

Brooks Fletcher is now declaring on the eve of the election that he is for adequate old age pensions.

Why did he not express himself on the floor of the House in this regard when the Social Security Bill was up for passage?

With the election approaching he is now advising the voters that he wants their thought on what they think should be an adequate old age pension. The time to act for the people is in Congress—not when you want their votes.

What is the record of Brooks Fletcher in regard to old age pensions?

During the last session he voted for a maximum of 50 cents a day as federal aid for old age pensions when he was receiving over $27.00 a day or $10,000.00 a year as Congressman.

The federal aid in Ohio has been determined at $10.00 a month for the old folks or 33 1/3 cents a day.

Whom do you think will be more liberal in his attitude toward the old folks in the face of the record—Grant Mouser or Brooks Fletcher?

People are too intelligent to be fooled by propaganda and Mr. Mouser intends to tell the truth in the light of fact rather than by misleading inferences and innuendo.

Daily Pattern for Home Use

BY ANNE ADAMS

GET READY FOR WINTER! MAKE THIS SLENDERIZING ALL-PURPOSE FROCK

Ready for winter? High time to be thinking of a flattering and attractive frock for your informal errands and hurried trips to town! You'll look 10 years younger and infinitely more slender in Pattern 4194, a simply designed model that will make a 45 appear as trim and well proportioned as a 25. It's fun to make this becoming Anne Adams frock, for the simple pattern proves to be one of the easiest to follow. Just see how the panel with its full pleats, dual sleeves, youthful color, and fly button accents. You'll love the style made up in wool challis, flat crepe or satin.

Pattern 4194 is available in sizes 16, 18, 20, 40, 42, 44, 46 and 48. Size 18 takes 3⅞ yards 39-inch fabric. Illustrated step-by-step sewing instructions included.

Send fifteen cents (15c) in coins (stamps scarce preferred) for this Anne Adams pattern. Write plainly name, address and style number.

Be Sure To State Size

Send order to: Our new Anne Adams Pattern Book presenting the latest in Fall fashions, the latest in frocks, fabrics and gift suggestions. You'll find glamorous types for afternoon, alluring daytime types, cheery housedresses and kiddies' clothes. Styles, too, for the "would be slender" woman, and the girl-away-at-school. Send for it today! Book fifteen cents. Pattern fifteen cents. Twenty-five cents for both when ordered together.

Address order to The Marion Star, Pattern Department, 243 W. 17th St., New York, N. Y.

STOCKS CLIMB TO NEW PEAKS

Cloudy Foreign Affairs Offset by Bright Business Outlook in U. S

By The Associated Press

NEW YORK Oct 8—The stock market today scrambled to a new 5 year high after an early tussle with profit takers that sapped some of the vitality of the leaders.

It was the fourth consecutive day's advance to new peaks

While foreign affairs were a bit cloudier having inspiration was again found in a bright budget of domestic economic news

The steels motors and aircrafts rallied at the start At the same time such low priced utilities as Commonwealth & Southern and United Corp., edged forward in blocks of 50 000 and 20 000 shares respectively The ticker tape lagged for a while but caught up later The more depressed issues rallied near the fourth hour although many failed to cancel their losses

Bonds and commodities were slightly mixed Cotton futures sold off on the governments higher crop forecast but came back Foreign currencies were quiet

Shares of Chesapeake & Ohio Chesapeake Corp and Alleghany Corp got up 4 or more points each on announcement the railroad will pay extra dividends Alleghany controls Chesapeake Corp and the latter has a substantial stake in C & O

The automotive group was not excited by the statement of General Motors revealing September sales to consumers were the best for this month since 1929 and for nine month were the largest in the history of the corporation

Some of the nervousness both in domestic and foreign markets was attributed partly to the Russian note to the European powers warning against interference on behalf of the Spanish insurgents

On the other hand banking quarters were hopeful for the currency stabilization understanding between Great Britain and America as a step toward better international relations

Followers of the steels noted with satisfaction the report of the American Iron & Steel institute disclosing production of steel ingots in the first 9 months of this year totalled more than the entire 1935 output

Easing of the European monetary tension was reflected in a reduction of the Bank of France discount rate from 3 to 2½ per cent The franc was up 00 x of a cent at 4 67½ cents in initial foreign exchange transactions and sterling was unchanged at $4 94¾

MOTION SUSTAINED IN CITY PAY SUIT

Former Court Clerk Directed To Amend Petition in Action for Back Salary.

Common Pleas Judge Hector S. Young yesterday sustained a motion of the city of Marion to amend the petition filed against the city by John Powell, former clerk of municipal court, who is seeking judgment for $824.35 in back salary. The court also granted the plaintiff permission to file an amended petition and ordered the city to answer it on or before Oct. 24.

Powell's original petition, filed June 16 said his salary as clerk was fixed by the council at $1,800 a year and that he held office from January 1927 to May 1936 at which time he was discharged and dismissed from such position." The defense motion, filed June 26 by City Solicitor Ralph Carhart, asked the quoted words be taken out as immaterial, irrelevant and prejudicial.

Powell alleges the city cut his pay for several months beginning in 1933 as a part of an economy program and asks judgment for the back salary, asserting that state law fixed his scale of pay. He is represented by Paul M. Jones and George T. Gerns.

Foreclosures Asked

Two foreclosure suits have been filed by the Home Owners' Loan Corporation in common pleas court. One is against William E. and Nellie O. Walker asking an order for the sale of lot No. 1823 in Henry True's first addition and judgment of $3,222.21. The HOLC is represented by Sylvester Larkin. The other suit is against Thomas A. Cooper and others asking foreclosure on part of lot No. 11416 in the first Bowen Real Estate Company's addition and judgment for $5,021.49. H. A. Mickley is attorney for the HOLC in this suit.

B. H. Squire, superintendent of banks of Ohio and acting as liquidator for the Commercial bank of Marion, filed a foreclosure suit yesterday against Herbert G. Bender and C. D. Schaffner as receiver for the Citizens' Building & Loan Co., on lot No. 8745 in Marion Osgood addition and asks judgment for $2,607.44. Grant E. Mourer Sr. is counsel for the plaintiff.

Divorce Actions

Suits granted—Magdelene Chase from Dudley D. Chase, grounds of gross neglect of duty, plaintiff restored to former name of Magdelene Cranmer; Wilhelm & Robinson attorneys for plaintiff.

Suits filed—Elton J. Ralston against Ruth E. Ralston, gross neglect of duty, asks custody of three minor children and that the defendant be barred from all interest in real estate owned by him. J. C. A. Arter is counsel for plaintiff.

Sale Permit Asked

Charles F. Crock, administrator of the estate of Sarah Crock, has petitioned in probate court against Jacob Crock and others for permission to sell 20 acres in the south half of the northeast quarter of Tully township to pay debts of $600. The land was appraised at $800.

A 105-degree temperature August 10 was the hottest on record at Minden, Fla., the weather bureau reports.

Olewiler of the First Presbyterian church will officiate. Burial will be made in the family lot at the Marion cemetery. Miss Linsley, a teacher in the Chicago public schools for years, died Tuesday night at her home in Chicago. The body will arrive in Marion at midnight tonight and may be viewed at the funeral home Friday morning.

Paul Wayland Bartlett, American sculptor, was born at New Haven, Conn., in 1865. He died in 1925.

J. E. REED OPENS LAW OFFICE HERE

Recent Graduate from O.S.U. Starts Practice at 150 East Center Street.

James E. Reed, who was graduated from the Ohio State university college of law in June, opened law offices in Marion this week at 150 East Center street.

Besides an LL.B., Mr. Reed was awarded his A.B. following completion of seven years of study in Columbus, and passed the Ohio bar examination this summer.

As a high school student here he was engaged in a number of business enterprises since 1920. He operated shoe-shining stands and was also connected with text book stores while attending school. He is making his home with his wife at 320 South Vine street.

He was graduated from Harding High school in 1928 and participated in debate, dramatics and class activities. At college he was a member of Phi Gamma Delta fraternity, member of the dramatic society, member of the student bar association and manager of its book store for two years.

He said he plans to establish joint offices with Edward J. Ruzzo of 584 Pearl street following Mr. Ruzzo's graduation from Ohio State next June.

CLASS MEETING

The Delta Zeta class of the First Reformed church will meet Friday night at 7:30 at the church.

Siam's exports total about 80 per cent rice.

A Three Days' Cough Is Your Danger Signal

A cough, chest cold or bronchial irritation today may lead to serious trouble tomorrow. You can relieve them now with Creomulsion, an emulsified Creosote that is pleasant to take. Creomulsion is a medical discovery that aids nature to soothe and heal the infected membranes and to relieve the irritation and inflammation as the germ-laden phlegm is loosened and expelled.

Medical authorities have for many years recognized the wonderful effects of Beechwood Creosote for treating coughs, chest colds and bronchial irritations. A chemist worked out a special process of blending Creosote with other ingredients so that now in Creomulsion you get a real dose of Beechwood Creosote which is palatable and can even be taken frequently and continuously by adults and children. Thousands of doctors now use Creomulsion in their own families and practice, and druggists rank Creomulsion top because in this genuine, original product you can get a real dose of Creosote so emulsified that it goes to the very seat of the trouble to help loosen and expel germ-laden phlegm.

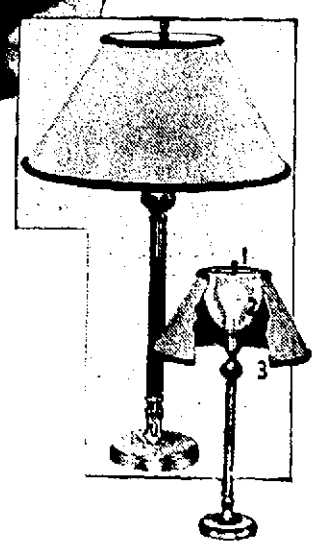
Creomulsion is guaranteed satisfactory in the treatment of coughs, chest colds and bronchial troubles, especially those that start with a common cold and hang on and on. Get a bottle of Creomulsion right now from your druggist, use it all up as directed and if you fail to get satisfactory relief, he is authorized to refund every cent of your money. Get Creomulsion right now. (Adv.)

Should my child wear Glasses?

DON'T GUESS...KNOW the answer to this question—

Among children of school age, *two* in every ten have defective vision. *Four* in ten among young people of college age have faulty eyesight.

Yet, serious eye trouble need not happen in *your* family. To help prevent it, you can do two things. First—consult an eyesight specialist to see if your child may need glasses. Second—improve the lighting in your home. Everywhere reading, studying, or sewing is done, light should be plentiful, well shaded, free from glare. And the *whole* room should be lighted, not just parts of it. Guard your child's sight with better light! Your own eyes will also be benefited.



Beautiful I. E. S. Better Sight Lamps from

$3.95 to $12.95

This is the new lamp especially designed — combining beauty with better seeing.

Sold at electrical, department, furniture and hardware stores.

1. *Wide opening at top throws light to ceiling, eliminates shadows.*
2. *Glass bowl softens light, prevents glare.*
3. *Wide shade plus extra height of lamp spreads light over wide area.*

The amount and kind of light that eyes need has been scientifically determined by lighting engineers and optical experts. The result of their findings is embodied in the beautiful new Better Sight Lamps. Safeguard your sight with this better light.
